To Whom It May Concern:

DRI Duck is committed to the highest quality and safety standards for all of the products we sell. We have developed a comprehensive product safety compliance program, and assure our customers that, to the best of our knowledge, all of our products meet the Consumer Product Safety Commission (CPSC) regulations as they pertain to our products. A General Certificate of Conformity or a Children's Product Certificate will be available for all of our products upon request.

Compliance with the aforementioned regulations is confirmed by third party laboratory testing. Please be advised, though, that any certifications we provide are for the finished products that we sell. If a blank product we sell is later decorated or modified by a third party, our testing and certifications will not apply to the decoration or modification.

If you have questions about our program, please contact compliance@driduck.com. You may also call Customer Service at (913) 648-8222.
