Learn the iconic Child-Centered Play Therapy!

Presenter: Steven L. Parks, LCSW-S, MBA, RPT-S

Training Description

This continuing education event teaches participants advanced skills related to Child-Centered Play Therapy including appropriate use and techniques for limit setting. Participants will also learn the theoretical specifications for constructing a therapeutic playroom and selection of therapeutic toys. **Training will be live and in-person only**.

Learning Objectives

At the end of this workshop, the learner will be able to:

1. Identify the core theoretical framework Child Centered Play Therapists use to determine if and when to set limits
2. Practice skills for setting effective limits with children in Child Centered Play therapy
3. Describe how to build a therapeutic playroom
4. List necessary tools for effective Child Centered Play Therapy and identify process for playroom toy selection
5. Demonstrate skill in applying Child Centered Play Therapy tracking and limit setting skills

1500 Sunset Blvd. Houston, TX 77005

Frequently Asked Questions

- **This training will be an in-person training that counts as APT Approved Contact CE credit.**
- **Participants will receive an evaluation and post-test and must complete both and score a minimum of 80% on the post-test to receive continuing education credit and certificate.**
- Prior Play Therapy knowledge and experience are helpful but not necessary to participate.
- Registration refunds will NOT be made to parties who register but do not attend or do not contact the organizer 24 hours in advance.
- Participants requiring accommodations must submit a medical professional's note specifying the required accommodations to PlayTherapyTraining@jfshouston.org at least 7 days prior to any training for which they have registered.
- JFS reserves the right to cancel any of these training in the event of unforeseen circumstances. If such a cancellation occurs, JFS will attempt to notify registrants and refund all registration fees.
- Continuing Education credits apply towards mental health licensure and apply towards acquiring or maintaining a Registered Play Therapist (RPT) credential. The Association for Play Therapy sets the credentialing standards for Play Therapists and approves applications. Please review the credentialing standards for full list of the requirements to obtain the RPT Credential: https://www.a4pt.org/general/custom.asp?page=CredentialsHomepage
