12th Anniversary Crochet Pattern - Continued

To end: slip stitch in first sc of last row and in 2 or 3 more stitches. Cut yarn and pull through to the wrong side. Pull tightly to secure. Weave in loose end.

This beanie is wonderful for many reasons. 1). It is very forgiving. If you make a mistake, it is hard to see. 2). It looks and feels like a knit pattern. 3). Because the pattern calls for a large hook size, the beanie works up quickly. Thus you can touch more lives. 4). You can easily use the pattern with different size needles and different weight yarns.

Option to change colors - pull new color through the loop on the hook when desired and begin using the new color. Be creative. change colors whenever you like. Have fun! There is no right or wrong. Only LOVE!

Helpful Hints:

- If your round looks wavy and not flat, you've increased too many stitches. Simply frog (Rippit) until the round becomes flat and continue.
- The total length for a woman's head: 7 ¼ to 7 ½ inches
- The total length for man's head: 8 inches

Magic Loop Instructions

Step 1 To start a Magic Loop, don't make a slipknot. Instead, make a loop with the yarn, leaving a tail around 4 inches long. Make sure the tail end is on the bottom.

Step 2 Insert your hook into the loop, from front to back. Wrap the working yarn around the hook anticlockwise and pull the yarn through the Magic Loop.

Step 3 Make a turning chain, the correct length for the stitches you want to work.

Step 4 Work your sc, ch 1 stitches into the Magic Loop, making sure all the stitches are worked over both the loop itself and the tail end (so two strands of yarn).

Step 5 Once you've worked the number of stitches you need, simply pull the tail end of the yarn to draw up the ring – magic!

Step 6 Close rnd with a slip stitch as usual.
