

Knots of Love Guidelines for making Beanies, NICU Blankets, PICC Covers, and Limb Huggers.

- ♥ All creations must be made with yarns from our approved yarn list.
- ♥ Only hand-knit and hand-crocheted beanies and blankets, no loomed items.
- ♥ Thin, seamless, non-lumpy beanies are best for increased comfort.
- ♥ Please, no see-through beanies. (Patients don't like to see their bald heads through the beanies).
- ♥ Do not choose a lacy pattern when making NICU blankets because little fingers, toes, and tubes can get caught in blankets with holes.
- ♥ Yarn must be fragrance-free, smoke-free, dander and pet hair-free.
- ♥ Be sure all your ends are tied in well and not showing.
- ♥ Wash, dry, and bag your creations before sending them to us. One bag or box is sufficient for all your gifts of love. (When drying, please do not use dryer sheets as they contain chemicals that can cause a reaction to sensitive skin).
- ♥ We do not accept premie and/or infant hats because hospitals tell us they are inundated with them. If you want to help a baby, please make a NICU blanket -- it will make a difference.
- ♥ Please follow the sizing guidelines below:

Head Size Chart

Please use this chart to determine what size beanie you would like to make.
The height noted is the total height of the hat, including the brim.

Size	Circumference	Height of Beanie
Small	18 to 20 inches	6.5 to 7 inches
Medium	20 to 22 inches	7 to 8 inches
Large	22 to 24.5 inches	8 to 10 inches
