Here is the prompt from the first workshop:

10:06:51 From Melissa (They/Them), CFSPS to Everyone:

Connect your work to a larger idea or question by turning your organizational values / principles into questions that your community (donors, staff, board, volunteers, program participants, recipients of services) can engage with and explore in community together. Come up with 3-5 compelling, open-ended questions that will appeal to a wide cross-section of your community. Conduct interviews with a wide variety of people in your community (clients, donors, volunteers, staff...), have people interview each other, or simply send them the questions to answer themselves. Edit short stories (approx 250-500 words) as text with image, as audio stories, or as video stories.

10:07:10 From Sanna Nour to Everyone:

Thank you Melissa

10:09:40 From Meghan Sullivan (she/her)-TOGETHER! to Everyone:
