

Singles and Doubles Play COVID Safety Rules

- Maximum 2-hour court booking allowed per day per player
- Players booking a court **must record all player contact details** at the time of booking for contact tracing purposes
- You and your playing partners are not permitted to use the courts if you have recently returned from overseas within the last 14 days or if you have any symptoms of a respiratory illness, cold or flu; you must get tested for COVID
- If a player has a flu, cold or any respiratory symptom on the date of their booking or up to 2 weeks before their booking date they are responsible for letting us know and cancelling the booking (we can issue you with a credit)
- If any player in the booking party shows up with a flu, cold or any respiratory symptom on the date of the booking they are not permitted to play and must be sent home
- Players must arrive dressed and ready to play (no changing of clothes in toilets)
- Players to follow the 'Play and Go' / 'Get in, Train, Get Out' rule by arriving just before the booking and leaving immediately after their booking (no social gathering)
- Players can only enter the court when their booking commences using PIN code
- Use a tissue or glove to enter PIN codes on the security gate
- Enter and leave courts on time and wait for previous players to exit before entering
- Players to stand on green stickers/crosses on the ground when waiting to enter court
- Keep 1.5 metre physical distance between other players on court
- No handshaking, high fives or physical contact (touch racquets allowed)
- Players to bring their own hand sanitiser, water and equipment (no racquet hire) or to use hand sanitisers provided
- Maximum of 4 players on a court at the same time, 2 players each side of net
- No changing of ends
- No spectators permitted, unless a parent or carer
- Change Rooms and showers closed, toilet available (no changing of clothes)
- NO social gatherings permitted
- NO non-authorized tennis coaches permitted
- Wait for permission to enter the pro shop, observe 1.5 metre physical distance
