Turn Emissions into Trees®

Proudly restoring Australia's
natural habitat through
biodiverse reforestation
of degraded land.

This is to recognise

City Community Tennis

15,943

for cumulatively contributing 15,943

native trees and shrubs

in the *Yarra Yarra Biodiversity Corridor*.

Thank you for supporting biodiverse reforestation and
habitat restoration within Australia's largest carbon sink
project.

Ray Wilson | Chief Executive Officer
