

ROAD MAP TO HYBRID LEARNING & COMPLETION OF YOUR COURSE OF STUDY

Phase I - Lecture Component

Workshops that take place via live online Zoom calls. Course starts with these.
Demonstration of elements: engagement, tasks & videos on Virtual Learning Platform (VLP), self-assessment, reflection.

Phase I - Buddy Coaching

From Module 3 onwards, students engage in peer coaching 2x6 hours each as coach and client.
Demonstration of elements: Coaching in Action, reflection, feedback.

Phase II - Mentor coaching & Supervision

Group & individual mentoring and supervision that happens throughout Phase II.

Phase II - Performance Evaluation

Though the Performance Evaluation starts in Phase I with the Knowledge Assessments, its highlight comes after all elements.
Knowledge assessments + Written exam + Practical Skills Assessment in sample session.

Phase I - Experiential Learning Components

Coach Practice Development & Practice Sessions on Strategies, Techniques & Competence Building through case studies. Takes place during the live workshops.
Demonstration of elements: Coaching in Action, Observed coaching sessions, reflection, self-assessment.

Phase II - Practicum

The Practicum takes places after successful completion of Phase I.
Free coaching practice with volunteers. Hours count towards individual credentials.
4 clients x 6 hrs each.
Demonstration of elements: Coaching in Action, reflection, self-assessment.

Phase II - Field Project

Work begins immediately after the successful completion of Phase I and includes data/findings/reflections from ongoing Practicum. A collection of learning outcomes, thoughts, application in practice, reflections, research to answer the Field Project topic.
