

WHAT IS NEEDED TO COMPLETE A CEI ACADEMY COURSE

Phase I

Application & Placement Test

Understanding of the Academy policies and assessment. Prior to purchasing a course, we evaluate current knowledge in coaching.

Knowledge-based Modules / Bespoke Programmes

All courses are broken down into smaller parts to make your learning and attendance easier and more efficient.

Practical Application in class

Before you try your hand at coaching real clients, you practise in the safe environment of the classroom.

Phase II

Competence Assessment Module

The necessary element to become a professional coach who can apply for a credential with official coaching bodies.

Practical Application out of class

Practice with volunteers following the Academy's guidance. All hours count towards a credential.

Mentor Coaching & Supervision

Group & Individual mentoring & supervision.
