We're Making Christmas Bigger, Better
& Brighter for Our Community!

Your financial support is needed for our community to enhance and grow the Ozark Mountain Christmas season. **"America's Christmas Tree City"** and **"Lights. That. WOW!"** are providing new reasons for more visitors to come to our area and growing our economy too. The Coalition inspires, encourages and helps implement these projects and MORE to make the season bright -- and it's growing every year!

More than \$20 million of incremental visitor spending is generated annually as a direct result of these efforts. Let's keep building on our area's holiday success *together!*

Yes! We pledge our support for a bigger, brighter Christmas season!
