Dear Friend,

Thank you for considering becoming a Catholic Women Preach sponsor! To date, CWP videos have been viewed more than 175,000 times! We simply couldn't bring the wisdom and witness of women breaking open the Word to a global audience without support from people like you. Your support of Catholic Women Preach is needed now more than ever - as we grow out of the two-year startup phase of the project and grant funds become less available.

A recent survey drives the message home: *Catholic Women Preach offers the Church a gift it both needs and deserves*. Catholics from all walks of life are turning to CWP to help satisfy both their personal and their congregation's spiritual needs:

- Nearly 72% of viewers turn to CWP on a weekly basis and another 6% view at least monthly
- 88% view Catholic Women Preach videos as a part of their personal spiritual practice
- 34% use videos to help them prepare their own homilies and other ministries of the word
- Over 20% use Catholic Women Preach videos as a part of their parish programming such as bible studies, religious education classes, RCIA, and adult formation programs.

By becoming a sponsor you will help ensure a bright future for Catholic Women Preach and enable us to continue to deliver the joyful, inspiring, and challenging weekly preaching that so many Catholic women and men have already come to rely on and reach even more who are longing to hear the Word broken open in a new way. Together we can empower thousands of Catholics to engage in the work of the Gospel in their own lives and communities – transforming and renewing the Church and the world along the way!

Sponsorships are available for a number of levels from \$100 to \$10,000 or more. In just two years, Catholic Women Preach has become an international tour de force and **has been viewed over 175,000 times!** This effort has far exceeded our wildest expectations -- a sure sign of the hunger of Catholics and others to be inspired and challenged by Catholic women preachers.

A project of global reach, Catholic Women Preach uses modern technology to bring the voices of diverse Catholic women to the proclamation of the Gospel through web-based homilies and resources.

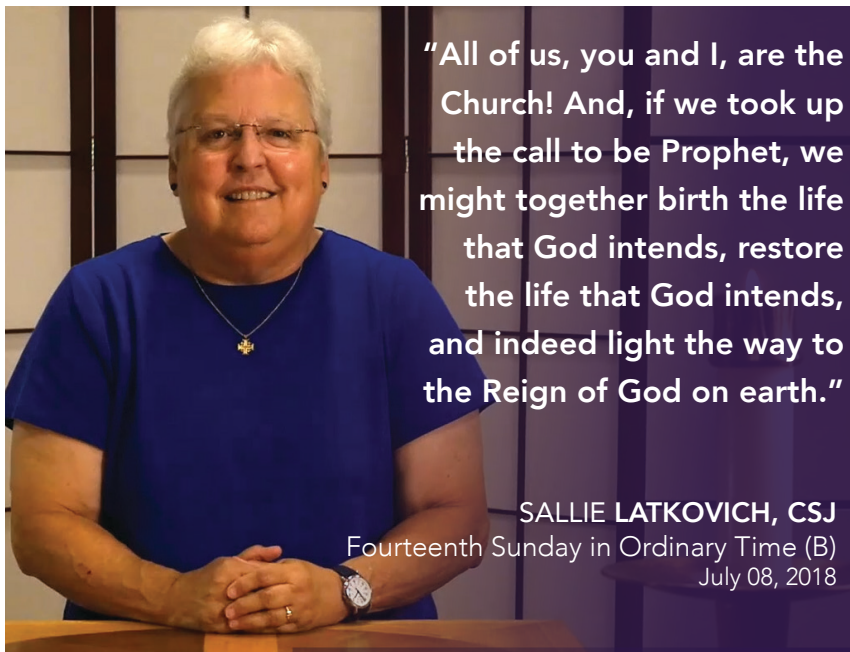

Following the liturgical year, Catholic women reflect on how the texts relate to all Catholics today with a special emphasis on the lives of women, their apostolic call, and their roles in the Church and the world. Moreover, wherever possible preaching highlights women traditionally misrepresented or omitted from our lectionary and open the Scripture texts to deepen our understanding of God's saving presence in the world in and through all of humanity.

CWP offers the theologically informed perspectives of Catholic women preachers to: a) serve as an inspirational resource for priests, deacons and all those who preach in the Catholic Church, b) encourage Catholics, especially younger adult Catholic, with messages of hope that renew and strengthen our faith for our mission in the world and, c) provide a global platform for women's voices and faith-filled reflections so that the fullness of their giftedness can be accessed by all Catholics.

Catholic Women Preach provides resource-rich and easily accessible website -- CatholicWomenPreach.org -- where all the faithful including clergy, catechists, RCIA, parish study groups, campus ministers, retreat leaders, and others in church ministry can:

- See and hear preaching by well-qualified, theologically trained and diverse women as a part of their own spiritual practice
- Use preaching videos and texts in the preparation of their own preaching, reflections and homilies.
- Inspire Catholics to appreciate the giftedness of Catholic women preaching, and create greater awareness that women should and do preach on the Scriptures.
- Offer an enriching experience to their fellow Catholics not accustomed to seeing and hearing women preach.
- Attract young adult Catholics who use social media and modern applications to find a renewed spirituality in these resources and be inspired to find their way back into the liturgical life of the Church

With your help, we can reach more Catholics -- individuals, lay ministers, campus ministers, priests, deacons, and others who are longing to hear the Word broken open in a new way!

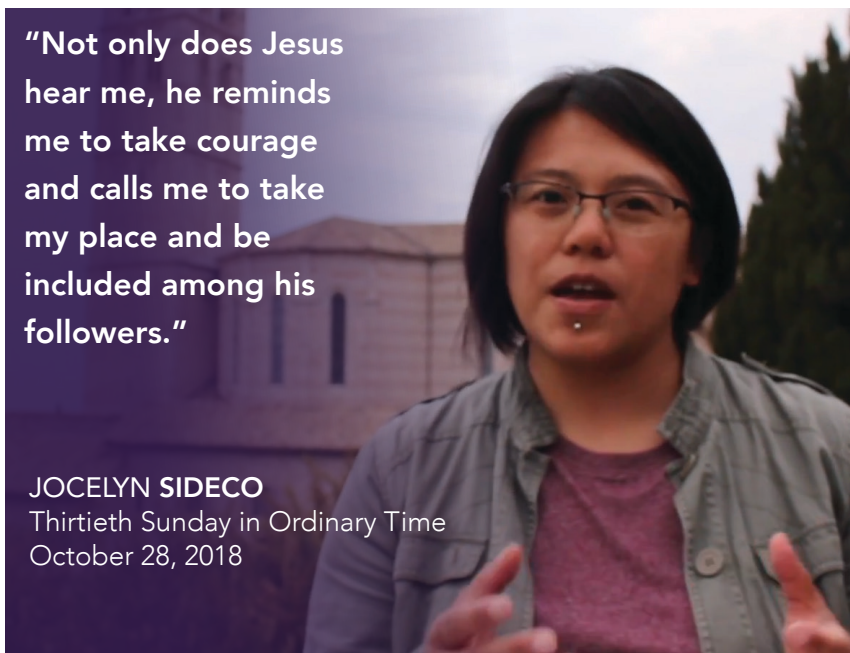

"All of us, you and I, are the Church! And, if we took up the call to be Prophet, we might together birth the life that God intends, restore the life that God intends, and indeed light the way to the Reign of God on earth."

TESTIMONIALS

I am an eighteen-year-old student in Massachusetts. When my class viewed the Catholic Women Preach website, I was overcome with joy. There is such a need in this world for women to be represented in the preaching of the Good News and of the full richness of God's love.

•

As a young adult, Catholic woman, I find initiatives like this to be inspiring and helpful in my effort to remain Catholic.

•

Thank you for this phenomenal approach you have taken in providing women a space to preach the Word. These great women and their wonderfully powerful wisdom give me HOPE! I dare you to pray through their words, too. Weekly.

•

Catholic Women Preach reminds me constantly that all of us, men and women, have a voice that can proclaim Jesus' words & actions clearly, beautifully and can offer deeper insights.

•

Hearing Catholic Women preach fills a hole in my heart and soul.

•

CWP is one of things that keeps me Catholic.
