If the qualification statement is sent by express mail service, the designation in sub-section 3, above, must also appear on the outside of the express mail envelope. Qualification statements received after the designated time and date will be returned unopened.

 - N.J.S.A. 2C:27-10 provides that a person commits a crime if said person offers a benefit to a public servant for an official act performed or to be performed by a public servant, which is a violation of official duty.

 - Vendor should consult the statutes or independent legal counsel for further information.

INTERPRETATION AND ADDENDA

1. The Vendor understands and agrees that its qualification statement is submitted on the basis of the specifications prepared by the City. The Vendor accepts the obligation to become familiar with these specifications.
2. Vendors are expected to examine the specifications and related RFQ documents with care and observe all their requirements. Ambiguities, errors or omissions noted by Vendors should be promptly reported in writing to the appropriate official. Any prospective Vendor who wishes to challenge a RFQ specification shall file such challenges in writing with the contracting agent no less than three (3) business days prior to the opening of the qualification statements. Challenges filed after that time shall be considered void and having no impact on the contracting unit or the award of a contract pursuant to N.J.S.A. 40A:11-13. In the event the Vendor fails to notify the City of such ambiguities, errors or omissions, the Vendor shall be bound by the requirements of the specifications and the Vendor’s submitted qualification statement.
3. No oral interpretation and or clarification of the meaning of the specifications for any goods and services will be made to any Vendor. Such request shall be in writing, addressed to the City’s representative stipulated in the specification. In order to be given consideration, a written request must be received at least ten (10) business days prior to the date fixed for the deadline of submission of the qualification statement for goods and services.

All interpretations, clarifications and any supplemental instructions will be in the form of written addenda to the specifications, and will be distributed to all prospective Vendors. All addenda so issued shall become part of the specification and RFQ documents, and shall be acknowledged by the Vendor in the qualification statement. The City’s interpretations or corrections thereof shall be final.

When issuing addenda, the City shall provide required notice prior to the official receipt of qualification statements to any person who has submitted a qualification statement or who has received an RFQ package pursuant to N.J.S.A. 40A:11-23c.1.

4. Discrepancies in Qualification statements

- If the amount shown in words and its equivalent in figures do not agree, the written words shall be binding. Ditto marks are not considered writing or printing and shall not be used.
- In the event that there is a discrepancy between the unit prices and the extended totals, the unit prices shall prevail. In the event there is an error of the summation of the extended totals, the computation by the City of the extended totals shall govern.

Competitive items must be equal to the standard described and be of the same reputation for quality and workmanship. Vendor literature WILL NOT suffice in explaining exceptions to these specifications. In the absence of any exceptions by the Vendor, it will be presumed and required that the goods and services as described in the RFQ specification be provided or performed.
3. It is the responsibility of the Vendor to document and/or demonstrate the equivalency of the goods and services offered. The City reserves the right to evaluate the equivalency of the goods and services.
4. In submitting its qualification statement, the Vendor certifies that the goods and services to be furnished will not infringe upon any valid patent or trademark and that the successful Vendor shall, at its own expense, defend any and all actions or suits charging such infringement, and will save the City harmless from any damages resulting from such infringement.

A Vendor, subcontractor or supplier who fails to provide proof of business registration or provides false business registration information shall be liable to a penalty of \$25 for each day of violation, not to exceed \$50,000 for each business registration not properly provided or maintained under a contract with a contracting agency. Information on the law and its requirements is available by calling (609) 292-1730.

Failure to submit proof of registration with the qualification statement submittal requires mandatory rejection of a qualification statement as a non-waivable defect.

5. NEW JERSEY WORKER AND COMMUNITY RIGHT TO KNOW ACT

Where applicable: The manufacturer or supplier of chemical substances or mixtures shall label them in accordance with the N.J. Worker and Community Right to Know Law (N.J.S.A. 34:5A-1 et seq., and N.J.A.C 8:59-2 et seq.). The vendor shall be required to submit a certified payroll record to the City within ten (10) days of the payment of the wages. The vendor is also responsible for obtaining and submitting all subcontractors' certified payroll records within the aforementioned time period. The vendor shall submit said certified payrolls in the form set forth in N.J.A.C. 12:60-6.1(c). It is the vendor's responsibility to obtain any additional copies of the certified payroll form to be submitted by contacting the New Jersey Department of Labor and Workforce Development, Division of Workplace Standards. Additional information is available at www.state.nj.us/labor/lssse/lspubcon.html.

In the event it is found that any workman, employed by the Vendor or any Subcontractors covered by the contract, has been paid a rate of wages less than the prevailing wage required to be paid by the Vendor, the City may terminate the Vendor's or Subcontractor's right to proceed with the work, or such part of the work, as to which there has been failure to pay required wages and to prosecute the work to completion or otherwise. The Vendor and his sureties shall be liable to the City for any excess costs occasioned thereby.

The Vendor or Subcontractor is required to do the following:

- Pay to all workmen engaging in the performance of services directly upon a public work, the prevailing rate of wages specified in this contract.
- Keep an accurate record showing name, craft, trade and actual hourly rate of wages paid to each workman employed by him in connection with any public work. Records shall be preserved for two years from date of payment.
- Post the prevailing wage rates for each craft and classification involved, as determined by the Commissioner of Labor and Industry, including the effective date of any changes thereof, in prominent and easily accessible places at the site of the work and at such place or places as are used by them to pay workmen their wages; and

7. DAVIS BACON ACT

Where applicable: If this project is being funded with Federal Funds received from the U.S. Department of Housing and Urban Development (HUD) as part of the Community Development Block Grant (CDBG), the vendor shall be subject to the provisions of the Federal Labor Standards (Davis Bacon), which shall be conditions of the contract. Additional information may be obtained at <http://www.wdol.gov/>.

8. THE PUBLIC WORKS VENDOR REGISTRATION ACT

Where applicable: N.J.S.A. 34:11-56.48 et seq. requires that a general or prime vendor and any listed subcontractors named in the vendor's qualification statement shall possess a certificate *at the time the qualification statement is submitted*. After qualification statements are received and prior to award of contract, the successful vendor shall submit a copy of the vendor's certification along with those of all listed subcontractors. All non-listed subcontractors and lower tier sub-subcontractors shall be registered prior to starting work on the project. It is the general vendor's

responsibility that all non-listed sub-vendors at any tier have their certificate prior to starting work on the job.

Under the law a “vendor” is “a person, partnership, association, joint stock company, trust, corporation or other legal business entity or successor thereof who enters into a contract” which is subject to the provisions of the New Jersey Prevailing Wage Act [N.J.S.A. 34:11-56.25, et seq.] It applies to vendors based in New Jersey or in another state.

The law defines “public works projects” as contracts for "public work" as defined in the Prevailing Wage statute [N.J.S.A. 34:11-56.26(5)]. The term means:

- “Construction, reconstruction, demolition, alteration, or repair work, or maintenance work, including painting and decorating, done under contract and paid for in whole or in part out of the funds of a public body, except work performed under a rehabilitation program.
- "Public work" shall also mean construction, reconstruction, demolition, alteration, or repair work, done on any property or premises, whether or not the work is paid for from public funds...”
- “Maintenance work" means the repair of existing facilities when the size, type or extent of such facilities is not thereby changed or increased. While “maintenance” includes painting and decorating and is covered under the law, it does not include work such as routine landscape maintenance or janitorial services.

To register, a vendor must provide the State Department of Labor with a full and accurately completed application form. The form is available online at www.state.nj.us/labor/lasse/lspubcon.html.

N.J.S.A. 34:11-56.55 specifically prohibits accepting applications for registration as a substitute for a certificate of registration.

9. NON-COLLUSION AFFIDAVIT

The Affidavit shall be properly executed and submitted with the qualification statement.

10. PAY TO PLAY

Starting in January, 2007, business entities are advised of their responsibility to file an annual disclosure statement of political contributions with the New Jersey Election Law Enforcement Commission (ELEC) pursuant to N.J.S.A. 19:44A-20.27 if they receive contracts in excess of \$50,000 from public entities in a calendar year.

Business entities are responsible for determining if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

Businesses are further required to comply with all local ordinances regarding contribution limits for publicly contracted entities. Business entities are obligated to become familiar with their obligations under the local ordinances prior to submitting qualification statements for public contracts to the City of Hoboken.

11. NUCLEAR-FREE HOBOKEN ORDINANCE

The Form shall be read and properly executed, and submitted as part of the qualification statement.

12. IRANIAN INVESTMENT ACTIVITY FORM

Pursuant to Public Law 2012, c. 25, any person or entity that submits a bid or qualification statement or otherwise proposes to enter into or renew a contract must complete the certification to attest, under penalty of perjury, that the person or entity, or one of the person or entity's parents, subsidiaries, or affiliates, is not identified on a list created and maintained by the Department of the Treasury as a person or entity engaging in investment activities in Iran. If the Director finds a person or entity to be in violation of the principles which are the subject of this law, s/he shall take action as may be appropriate and provided by law, rule or contract, including but not limited to, imposing sanctions, seeking compliance, recovering damages, declaring the party, in default and seeking debarment or suspension of the person or entity.

METHOD OF CONTRACT AWARD

1. The City and the successful Vendor, in accordance with N.J.S.A. 40A:11-24 (b), shall execute said contract within twenty-one (21) days, Sundays and holidays excluded after Notice of Award. The parties however may agree to extend the twenty-one (21) day period in the event the contract cannot be signed in a timely manner. Failure or neglect of the Vendor to execute said contract or to contact the City to request an extension to execute said contract shall constitute a breach and the City can award the contract to the next lowest Vendor. Pursuant to requirements of N.J.A.C. 5:30-5.1 et seq., any contract resulting from this RFQ shall be subject to the availability and appropriation of sufficient funds annually.
2. The form of contract shall be submitted by the City to the successful Vendor. Terms of the specifications/RFQ package prevail. Vendor exceptions must be formally accepted by the City. Vendor exceptions must be listed on the vendor's submitted qualification statement in order to be considered by the City.
3. The City reserves the right to waive immaterial formalities. The City reserves the right to procure these items under State Contracts or inter-local agreements, if so desired.
4. The acceptance of a Qualification statement shall bind the successful Vendor to execute the contract or to be responsible for liquidated damages in the amount of ten percent (10%) of the proposed costs if the vendor fails to enter into the contract or perform services there under.

CAUSES FOR REJECTING QUALIFICATION STATEMENTS

Qualification statements may be rejected for any of the following reasons:

1. All qualification statements pursuant to N.J.S.A. 40A:11-13.2;
2. If more than one (1) qualification statement is received from an individual, firm or partnership, corporation or association under the same name;

3. Multiple qualification statements from an agent representing competing Vendors;
4. The qualification statement is inappropriately unbalanced;
5. The Vendor is determined to possess, pursuant to N.J.S.A. 40A:11-4b, Prior Negative Experience; or,
6. If the successful Vendor fails to enter into a contract within twenty one (21) days, Sundays and holidays excepted, or as otherwise agreed upon by the parties to the contract. In this case at its option, the City may accept the qualification statement of the next lowest responsible Vendor. (N.J.S.A. 40A:11-24b)
7. Any other legally authorized reason which is in the best interest of the City.

TERMINATION OF CONTRACT

1. If, through any cause, the Vendor shall fail to fulfill in a timely and proper manner obligations under the contract or if the Vendor shall violate any of the requirements of the contract, the City shall there upon have the right to terminate the contract by giving written notice to the Vendor of such termination and specifying the effective date of termination. Such termination shall relieve the City of any obligation for balances to the Vendor of any sum or sums set forth in the contract. City will pay only for goods and services accepted prior to termination.
2. Notwithstanding the above, the vendor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the contract by the Vendor and the City may withhold any payments to the Vendor for the purpose of compensation until such time as the exact amount of the damage due the City from the Vendor is determined.
3. The Vendor agrees to indemnify and hold the City harmless from any liability to Subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the contract by the City under this provision.
4. In case of default by the Vendor, the City may procure the goods or services from other sources and hold the Vendor responsible for any excess cost.

In sum, in order to enter into a contract with the City of Hoboken for professional services or extraordinary unspecifiable services, the vendor or entity must certify that they have not made any political contributions in excess of the limits set forth in the ordinance in the calendar year before the contract was awarded. Additionally, the vendor or entity cannot make any contributions in excess of the thresholds per calendar year from the time of the first communication between that entity or vendor and the City regarding a specific agreement until either termination of negotiations, rejection of any proposal, or the termination of the contract or agreement.

Pursuant to §20A-12, entities receiving contracts as defined in §20A-12 must certify that they have not made any reportable contributions, or contributions in excess of the monetary thresholds as defined in §20A-12(D), in the calendar year preceding the award of the contract and that they will continue to abide by the regulations set forth in §20A during the term of the contract. “Calendar Year” is the period of each year beginning January 1st and ending December 31st. Contributions will be considered to have occurred on the date of transfer of the contribution/check from the donor to the recipient.

Pursuant to §20A-14, prior to the award of any contract or agreement to procure professional services or extraordinary unspecifiable services from any entity, the City of Hoboken must receive a written certification from the intended recipient of the contract, made under penalty of perjury, that the entity has not made any contributions in violation of Chapter 20A.

Therefore, prior to completing the attached certification, the entity shall review Hoboken City Code Chapter 20A (relevant portions of which are reproduced below). Any questions or concerns should be addressed to the office of the Corporation Counsel for the City of Hoboken prior to the certification being completed. Entities should be aware that they are under a continuing duty to abide by the provisions of Chapter 20A.

HOBOKEN CITY CODE §20A

(Relevant Portions Reproduced Below- Full Text Available at: <https://www.ecode360.com/15244897>)

§20A-11

Preamble.

Large political contributions from those seeking or performing contracts with a municipality raise reasonable concerns on the part of taxpayers and residents as to their trust in government and its business practices.

Pursuant to N.J.S.A. 40:48-2, a municipality is authorized to adopt such ordinances, regulations, rules and bylaws as necessary and proper for good government, as well as the public health, safety and welfare.

Pursuant to P.L. 2005, c. 271 (codified at N.J.S.A. 40A:11-51), a municipality is authorized to adopt by ordinance measures limiting the awarding of public contracts to business entities that have made political contributions, and limiting the contributions that the recipient of such a contract can make during the term of a contract.

In the interest of good government, the people and the government of the City of Hoboken desire to establish a policy that will avoid the perception of improper influence in public contracting and local elections.

It shall be the policy of the City of Hoboken to create such a regulation which states that a business entity which makes political contributions to municipal candidates and municipal and county political parties in excess of certain thresholds shall be limited in its ability to receive public contracts from the City of Hoboken.

§ 20A-11.1

Definitions.

Whenever a term used in this section is not herein defined, the definition found in the New Jersey Campaign Contributions and Expenditures Report Act, N.J.S.A. 19:44A-1 et seq., or the definitions found in the regulations promulgated thereunder, known as "Regulations of the New Jersey Election Law Enforcement Commission," N.J.A.C. 19:25-1.1 et seq., shall govern for purposes of this chapter.

§ 20A-12

Prohibition on awarding public contracts to certain contributors.

A. To the extent that it is not inconsistent with state or federal law, the City of Hoboken and any of its departments, instrumentalities or any independent authority created thereby shall not enter into any agreement or otherwise contract to procure "professional services" as such term is defined at N.J.S.A. 40A:11-2(6) and used at N.J.S.A. 40A:11-5(1)(a)(i) and/or banking, insurance brokerage or other consulting service (hereinafter "professional services"), nor "extraordinary unspecifiable services" as such term is defined at N.J.S.A. 40A:11-2(7) and used at N.J.S.A. 40A:11-59(1)(a)(ii) and/or media, public relations, lobbying, parking garage management or other consulting and/or management service (hereinafter "extraordinary unspecifiable services") from any entity, including nonemergency contracts awarded by N.J.S.A. 40A:11 et seq., or the fair and open process pursuant to N.J.S.A. 19:44A-20 et seq.), if such entity has solicited for or made any "contribution" reportable by the recipient under the New Jersey Campaign Contributions and Expenditures Reporting Act, P.L. 1973, c. 83 (N.J.S.A. 19:44A-1 et seq.), which definition includes loans and transfers of money or other thing(s) of value, all pledges or other commitments or assumptions of liability to make any such transfers (hereinafter "contribution"), to a candidate, candidate committee or joint candidates committee of any candidate for elective municipal office in Hoboken or any person serving in an elective municipal office in Hoboken or to any Hoboken or Hudson County political committee or political party committee or to any continuing political committee or political action committee that engaged in the support of Hoboken municipal or Hudson County elections and/or Hoboken municipal or Hudson County candidates, candidate committees, joint candidate committees, political committees, political parties, political party committees, (hereinafter "PAC"), in excess of the thresholds specified in Subsection D within one calendar year immediately preceding the date of the contract or agreement. Contributions will be considered to have occurred on the date of deposit, execution or transfer of rights.

B. No entity or vendor who submits a proposal for, enters into negotiations for or enters into any contract or agreement (including nonemergency contracts awarded by N.J.S.A. 40A:11-1 et seq., or the fair and open process pursuant to N.J.S.A. 19:44A-20 et seq.) with the City of Hoboken or any of its departments, instrumentalities or independent authorities created thereby for the rendition of professional services or extraordinary unspecifiable services shall knowingly solicit or make any contribution to a candidate, candidate committee or joint candidates committee of any candidate for elective municipal office in Hoboken or any person serving in an elective municipal office in Hoboken or to any Hoboken or Hudson County political committee or political party committee or any PAC which meets the requirements set forth in § 20A-12A between the time of first communication between that business entity or vendor and the municipality regarding a specific agreement for professional services or extraordinary unspecifiable services and the latest of the following: termination of negotiations; rejection of any proposal or the termination of the contract or agreement.

C. For purposes of this article, entities whose contributions are regulated by this article mean:

- (1) An individual, including the individual's spouse, and any child or children; or
- (2) Any sole proprietorship, firm, corporation, professional corporation, partnership and any partner thereof, limited-liability company, limited-liability partnership and any partner thereof, organization, association or any other legal commercial entity organized under the laws of the State of New Jersey or of any other state or foreign jurisdiction;

(3) Any principal, stakeholder, partner, or other person who owns or controls 10% or more of the equity, profits, assets, stock, ownership or income interests in a person or entity as defined in Subsection C(1) and (2) above, and any determination of percentage, ownership or control will combine the individual interests as well as those of the individual's spouses and child or children;

(4) All partners or officers of such an entity, in the aggregate, and their spouses and child or children; and

(5) Any subsidiaries directly or indirectly owned or controlled by the business entity, person or individual; or

(6) Any political organization organized under Section 527 of the Internal Revenue Code (26 U.S.C. § 527) that is directly or indirectly controlled by the business entity, person or individual, other than a candidate committee, election fund or political party committee.

D. The monetary thresholds of this article are a maximum of \$300 each for any purpose to any candidate or candidate committee for elective municipal office in Hoboken or any holder of elective municipal office in Hoboken, or \$500 to any joint candidates committee for elective municipal office in Hoboken or any holder of elective municipal office in Hoboken or \$300 to any political committee or political party committee of the City of Hoboken; \$500 to any Hudson County political committee or political party committee; \$500 to any PAC which meets the requirements set forth in § 20A-12A. However, any individual or group of persons meeting the definition of "entity" provided in Subsection C above shall not annually contribute for any purpose in excess of \$2,500 to all City of Hoboken candidates, candidate committees, joint candidate committees and holders of elective municipal office and all City of Hoboken or Hudson County political committees and political party committees and all PACs, combined, without violating Subsection A of this section.

§ 20A-13

Contributions and contracts made prior to the effective date.

Contributions or solicitations of contributions made prior to the effective date of the most recent amendment to this article shall be governed by the language of the article effective at the time of contribution. Contributions or solicitations of contributions made on or after the effective date of the most recent amendment to this article shall be governed by the current article. Any contract in effect at the time of any amendment to this article shall be governed by the current article.

§ 20A-14

Contribution statement by professional business entity.

A. Every contract, request for proposals, request for qualifications and bid specification covered by this article shall contain:

(1) A provision describing the requirements of this article or reference to this article and directions for obtaining the requirements of this article.

(2) A statement that compliance with this article shall be a material term and condition of any contract awarded.

(3) A statement indicating that the requirements of this article shall create a continuing obligation on the vendor.

(4) A description of the penalties for which the vendor will be liable in the event of a failure to comply with the provisions of this article; said description shall state that unless remedied in accordance with § 20A-15 of this article, a violation of this article shall be considered a material breach of the contract which shall result in enforcement of the penalties described in § 20A-17 of this article.

B. Prior to awarding any contract or agreement to procure professional services or extraordinary unspecifiable service from any entity, the City of Hoboken or its departments, instrumentalities or authorities, as the case may be, shall receive a written certification from the intended recipient of said contract, made under penalty of perjury, that he/she/it has not made any contributions in violation of this article. The City of Hoboken, its departments, instrumentalities or authorities shall be responsible for informing the City Council that the aforementioned written certification has been received and that the entity is not in violation of this article, prior to awarding the contract or agreement.

C. The recipient of said contract or agreement shall have a continuing duty to report any violations of this article that may occur during the proposal process, negotiations, duration of the contract period or the completion of the performance of that contract or agreement. The certification required under this section shall be made prior to entry into the contract or agreement with the City of Hoboken or prior to the provision of services or goods, as the case may be, and shall be in addition to any other certifications that may be required by any other provision of law.

§ 20A-15

Return of excess contributions.

A. A recipient of a contract for professional services or extraordinary unspecifiable services may cure a violation of § 20A-12 of this article if, within 45 days after the date of the contribution, the contract recipient notifies the municipality, in writing, and seeks and, within 45 days after the date of the contribution, receives reimbursement of the contribution from the recipient of such excess contribution.

B. Except that it shall be presumed that any contribution that violate this article, made within 60 days of an election of candidates for elective office in the City of Hoboken, was not made inadvertently, and such contributions shall not be eligible for reimbursement; thereby, the entity making such contributions cannot remedy the violation of § 20A-12 of this article.

§ 20A-16

Exemptions.

§ 20A-17

Violations and penalties.

A. It shall be a material breach, by the vendor, of the terms of the agreement or contract for professional services or extraordinary unspecifiable services, as the term is defined in § 20A-12, when a recipient of such agreement or contract.

- (5) Engages or employs a lobbyist or consultant with the intent or understanding that such lobbyist or consultant will make or solicit any contribution, which if made or solicited by the entity itself would subject that entity to the restriction of this article;
- (6) Fund contributions made by third parties, including consultants, attorneys, family members and employees;
- (7) Engages in any exchange of contributions to circumvent the intent of this article; or
- (8) Directly or indirectly, through or by any other person or means, do any act which would subject that entity to the restrictions of this article.

B. Furthermore, any business entity that violates § 20A-17A(2) through (8) shall be disqualified from eligibility for future contracts with the City of Hoboken, its departments, instrumentalities or any independent authority created thereby for a period of four calendar years from the date of the violation.

§ 20A-18

Citizens private right of action.

Notwithstanding any other common right of law, any Hoboken citizen or citizen's group shall have the right to sue any or all entities in violation of this article, including the business entity awarded a contract or agreement to provide professional services or extraordinary unspecifiable services, as defined in § 20A-12, the candidate or committee as specified in § 20A-12A above and/or the City of Hoboken, in order to compel those entities to comply with this article.

§ 20A-19

Severability.

If any provision of this article or the application of any such provision to any person or circumstances shall be held invalid, the remainder of this article, to the extent it can be given effect, or the application of such provision to persons or circumstances other than those which it is held invalid shall not be affected thereby, and to this extent the provisions of this article, are severable. The drafters of this article, the persons signing the petition in support of this article and the persons who cast votes in favor of the article declare that they would have supported the article and each section, subsection, sentence, clause, phrase or provision or application thereof irrespective of the fact that any one or more other sections, subsections, sentences, clauses, phrases or provisions or applications thereof may be held invalid.

§ 20A-20

Repealer.

All ordinances or parts of ordinances which are inconsistent with any provisions of this article are hereby repealed as to the extent of such inconsistencies.
