The Vendor or Subcontractor, where applicable, agrees to comply with the regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and Americans with Disabilities Act.

When hiring workers in each construction trade, the vendor or subcontractor agrees to attempt in good faith to employ minority and female workers in each construction trade consistent with the applicable employment goal prescribed by N.J.A.C. 17:27-7.3; provided, however, that the Affirmative Action Office may, in its discretion, exempt a vendor or subcontractor from compliance with the good faith procedures prescribed by the following provisions A, B, and C, as long as the Affirmative Action Office is satisfied that the vendor is employing workers provided by a union which provides evidence, in accordance with the standards prescribed by the Affirmative Action Office, that its percentage of active "card carrying" members who are a minority and female workers is equal to or greater than the applicable employment goal prescribed by N.J.A.C. 17:27-7.3, promulgated by the Treasurer pursuant to P.L. 1975, c 127, as amended and supplemented from time to time. The vendor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- A) If the vendor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the vendor or subcontractor shall within three (3) days of the contract award, seek assurances from the union that it will cooperate with the vendor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as supplemented and amended from time to time. If the vendor or subcontractor is unable to obtain said assurances from the construction trade union at least five (5) days prior to the commencement of construction work, the vendor or subcontractor agrees directly to attempt to hire minority and female workers consistent with the applicable employment goal. If the vendors or subcontractors prior experience with the construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and female workers consistent with the applicable employment goal, the vendor or subcontractor agrees to prepare to hire minority and female workers directly, consistent with the applicable employment goal, by complying with the hiring procedures prescribed under (B) below; and the vendor or subcontractor further agrees to immediately take said action if it determines or is so notified by the Affirmative Action Office that the union is not referring minority or female workers consistent with the applicable employment goal.

- B) If the hiring of workforce consistent with the employment goal has not or cannot be achieved for each construction trade by adhering to the procedures of (A) above, or if the vendor does not have referral agreement or arrangement with a union for a construction trade, the vendor or subcontractor agrees to take the following action consistent with the applicable county employment goals:
 - 1. To notify the Public Agency Compliance Officer, Affirmative Action Office, and at least one approved minority referral organization of its manpower needs and request referral of minority and female workers;
 - 2. To notify any minority and female workers who have been listed with it as awaiting available vacancies.
 - 3. Prior to commencement of work, to request the local construction trade union, if the vendor or subcontractor has a referral agreement or arrangement with a union for the construction trade, to refer minority and female workers to fill job openings;
 - 4. To leave standing request for additional referral to minority and female workers with the local construction trade union, if the vendor or subcontractor has a referral agreement or

arrangement with a union for the construction trade, the State training and employment service and other approved referral sources in the area until such time as the workforce is consistent with the employment goal;

5. If it is necessary to lay off some of the workers in a given trade on the construction site, to assure, consistent with the applicable State and Federal statutes and court decisions, that sufficient minority and female employees remain on the site consistent with the employment goal; and to employ any minority and female workers so laid off by the vendor or any other construction site in the area on which its workforce composition is not consistent with an employment goal established pursuant to rules implementing P.L. 1975. C. 127;

To adhere to the following procedure when minority and female workers apply or are referred to the vendor or subcontractor:

- i) If said individuals have never previously received any document or certifications signifying a level of qualification lower than required, the vendor or subcontractor shall determine the qualifications of such individuals and if the vendors or subcontractors workforce in each construction trade is not consistent with the applicable employment goal, it shall employ such persons which satisfy appropriate qualification standards; provided however, that a vendor or subcontractor shall determine that the individual at least possesses the skills and experience recognized by any worker skills and experience classification determination which may have been made by a Public Agency Compliance Officer, union, apprentice program or a referral agency, provided the referral agency, is acceptable to the Affirmative Action Office and provided further, that, if necessary, the vendor or subcontractor shall hire minority and female workers who qualify as trainees pursuant to these rules. All of the requirements of this paragraph, however, are limited by the provisions of (C) below.
 - ii) If the vendors or subcontractors workforce is consistent with the applicable employment goal, the name of said female or minority group individual shall be maintained on a waiting list for the first considerations in the event the vendors or subcontractors workforce is no longer consistent with the applicable employment goal.
 - iii) If, for any reason, said vendor or subcontractor determines that a minority individual or a female is not qualified or if the individual qualifies as an advance trainee or apprentice, the vendor or subcontractor shall inform the individual in writing with the reasons for the determination, maintain a copy in its files, and send a copy of the Public Agency Compliance Officer and to the Affirmative Action Office.
6. To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Affirmative Action Office and shall be submitted promptly to that office upon request.
- C) The vendor or subcontractor agrees that nothing contained in (B) preceding provision shall preclude the vendor or subcontractor from complying with the hiring hall or apprenticeship provision in any applicable collective bargaining agreement or hiring hall arrangement, and, where, required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement: provided, however, that where the practices of a union or apprenticeship program will result in the exclusion of minorities and females or the failure to refer minorities and females consistent with the county employment goal, the vendor or subcontractor shall consider for employment persons referred pursuant to said provisions (B) without regard to such agreement or arrangement; provided further, however, that the vendor or subcontractor shall not be required to employ female and minority advanced trainees and trainees in numbers which results in the employment of advanced trainees and trainees as a percentage of the total workforce for the

construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or on the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the vendor or subcontractor agrees that, in implementing the procedures of the proceeding provisions (B) it shall, where applicable, employ minority and female workers residing within the geographical jurisdiction of the union.

- D) The vendor agrees to complete an Initial Project Manning Report on forms provided by the Affirmative Action Office or in the form prescribed by the Affirmative Action Office and submit a copy of said form no later than three days after signing a construction contract; provided, however, that the public agency may extend in a particular case the allowable time for submitting the form to no more than fourteen days; and to submit a copy of the monthly Project Manning Report once a month (by the seventh work day of each month) thereafter for the duration of this contract to the Affirmative Action Office and to the Public Agency Compliance Officer. The vendor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job programs for outreach and training of minority and female trainees employed on construction projects.
- E) The vendor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the affirmative action office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

APPENDIX B
AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The Vendor and the City of Hoboken, (hereafter "City") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the City pursuant to this contract, the Vendor agrees that the performance shall be in strict compliance with the Act. In the event that the Vendor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the Vendor shall defend the City in any action or administrative proceeding commenced pursuant to this Act. The Vendor shall indemnify, protect, and save harmless the City, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The Vendor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the City's grievance procedure, the Vendor agrees to abide by any decision of the City which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the City, or if the City incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the Vendor shall satisfy and discharge the same at its own expense.

The City shall, as soon as practicable after a claim has been made against it, give written notice thereof to the Vendor along with full and complete particulars of the claim, If any action or administrative proceeding is brought against the City or any of its agents, servants, and employees, the *City shall* expeditiously forward or have forwarded to the Vendor every demand, complaint, notice, summons, pleading, or other process received by the City or its representatives.

It is expressly agreed and understood that any approval by the City of the services provided by the Vendor pursuant to this contract will not relieve the Vendor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the City pursuant to this paragraph.

It is further agreed and understood that the City assumes no obligation to indemnify or save harmless the Vendor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the Vendor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the Vendor's obligations assumed in this Agreement, nor shall they be construed to relieve the Vendor from any liability, nor preclude the City from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

(Relevant Portions Reproduced Below- Full Text Available at:
<https://www.ecode360.com/15244897>)

§20A-11

Preamble.

Large political contributions from those seeking or performing contracts with a municipality raise reasonable concerns on the part of taxpayers and residents as to their trust in government and its business practices.

Pursuant to N.J.S.A. 40:48-2, a municipality is authorized to adopt such ordinances, regulations, rules and bylaws as necessary and proper for good government, as well as the public health, safety and welfare.

Pursuant to P.L. 2005, c. 271 (codified at N.J.S.A. 40A:11-51), a municipality is authorized to adopt by ordinance measures limiting the awarding of public contracts to business entities that have made political contributions, and limiting the contributions that the recipient of such a contract can make during the term of a contract.

In the interest of good government, the people and the government of the City of Hoboken desire to establish a policy that will avoid the perception of improper influence in public contracting and local elections.

It shall be the policy of the City of Hoboken to create such a regulation which states that a business entity which makes political contributions to municipal candidates and municipal and county political parties in excess of certain thresholds shall be limited in its ability to receive public contracts from the City of Hoboken.

§ 20A-11.1

Definitions.

Whenever a term used in this section is not herein defined, the definition found in the New Jersey Campaign Contributions and Expenditures Report Act, N.J.S.A. 19:44A-1 et seq., or the definitions found in the regulations promulgated thereunder, known as "Regulations of the New Jersey Election Law Enforcement Commission," N.J.A.C. 19:25-1.1 et seq., shall govern for purposes of this chapter.

§ 20A-12

Prohibition on awarding public contracts to certain contributors.

A. To the extent that it is not inconsistent with state or federal law, the City of Hoboken and any of its departments, instrumentalities or any independent authority created thereby shall not enter into any agreement or otherwise contract to procure "professional services" as such term is defined at N.J.S.A. 40A:11-2(6) and used at N.J.S.A. 40A:11-5(1)(a)(i) and/or banking, insurance brokerage or other consulting service (hereinafter "professional services"), nor "extraordinary unspecifiable services" as such term is defined at N.J.S.A. 40A:11-2(7) and used at N.J.S.A.

40A:11-59(1)(a)(ii) and/or media, public relations, lobbying, parking garage management or other consulting and/or management service (hereinafter "extraordinary unspecifiable services") from any entity, including nonemergency contracts awarded by N.J.S.A. 40A:11 et seq., or the fair and open process pursuant to N.J.S.A. 19:44A-20 et seq.), if such entity has solicited for or made any "contribution" reportable by the recipient under the New Jersey Campaign Contributions and Expenditures Reporting Act, P.L. 1973, c. 83 (N.J.S.A. 19:44A-1 et seq.), which definition includes loans and transfers of money or other thing(s) of value, all pledges or other commitments or assumptions of liability to make any such transfers (hereinafter "contribution"), to a candidate, candidate committee or joint candidates committee of any candidate for elective municipal office in Hoboken or any person serving in an elective municipal office in Hoboken or to any Hoboken or Hudson County political committee or political party committee or to any continuing political committee or political action committee that engaged in the support of Hoboken municipal or Hudson County elections and/or Hoboken municipal or Hudson County candidates, candidate committees, joint candidate committees, political committees, political parties, political party committees, (hereinafter "PAC"), in excess of the thresholds specified in Subsection D within one calendar year immediately preceding the date of the contract or agreement. Contributions will be considered to have occurred on the date of deposit, execution or transfer of rights.

B. No entity or vendor who submits a proposal for, enters into negotiations for or enters into any contract or agreement (including nonemergency contracts awarded by N.J.S.A. 40A:11-1 et seq., or the fair and open process pursuant to N.J.S.A. 19:44A-20 et seq.) with the City of Hoboken or any of its departments, instrumentalities or independent authorities created thereby for the rendition of professional services or extraordinary unspecifiable services shall knowingly solicit or make any contribution to a candidate, candidate committee or joint candidates committee of any candidate for elective municipal office in Hoboken or any person serving in an elective municipal office in Hoboken or to any Hoboken or Hudson County political committee or political party committee or any PAC which meets the requirements set forth in § 20A-12A between the time of first communication between that business entity or vendor and the municipality regarding a specific agreement for professional services or extraordinary unspecifiable services and the latest of the following: termination of negotiations; rejection of any proposal or the termination of the contract or agreement.

C. For purposes of this article, entities whose contributions are regulated by this article mean:

- (1) An individual, including the individual's spouse, and any child or children; or
- (2) Any sole proprietorship, firm, corporation, professional corporation, partnership and any partner thereof, limited-liability company, limited-liability partnership and any partner thereof, organization, association or any other legal commercial entity organized under the laws of the State of New Jersey or of any other state or foreign jurisdiction;
- (3) Any principal, stakeholder, partner, or other person who owns or controls 10% or more of the equity, profits, assets, stock, ownership or income interests in a person or entity as defined in Subsection C(1) and (2) above, and any determination of percentage, ownership or control will combine the individual interests as well as those of the individual's spouses and child or children;
- (4) All partners or officers of such an entity, in the aggregate, and their spouses and child or children; and

- (5) Any subsidiaries directly or indirectly owned or controlled by the business entity, person or individual; or
- (6) Any political organization organized under Section 527 of the Internal Revenue Code (26 U.S.C. § 527) that is directly or indirectly controlled by the business entity, person or individual, other than a candidate committee, election fund or political party committee.

D. The monetary thresholds of this article are a maximum of \$300 each for any purpose to any candidate or candidate committee for elective municipal office in Hoboken or any holder of elective municipal office in Hoboken, or \$500 to any joint candidates committee for elective municipal office in Hoboken or any holder of elective municipal office in Hoboken or \$300 to any political committee or political party committee of the City of Hoboken; \$500 to any Hudson County political committee or political party committee; \$500 to any PAC which meets the requirements set forth in § 20A-12A. However, any individual or group of persons meeting the definition of "entity" provided in Subsection C above shall not annually contribute for any purpose in excess of \$2,500 to all City of Hoboken candidates, candidate committees, joint candidate committees and holders of elective municipal office and all City of Hoboken or Hudson County political committees and political party committees and all PACs, combined, without violating Subsection A of this section.

§ 20A-13

Contributions and contracts made prior to the effective date.

Contributions or solicitations of contributions made prior to the effective date of the most recent amendment to this article shall be governed by the language of the article effective at the time of contribution. Contributions or solicitations of contributions made on or after the effective date of the most recent amendment to this article shall be governed by the current article. Any contract in effect at the time of any amendment to this article shall be governed by the current article.

§ 20A-14

Contribution statement by professional business entity.

A. Every contract, request for proposals, request for qualifications and bid specification covered by this article shall contain:

- (1) A provision describing the requirements of this article or reference to this article and directions for obtaining the requirements of this article.
- (2) A statement that compliance with this article shall be a material term and condition of any contract awarded.
- (3) A statement indicating that the requirements of this article shall create a continuing obligation on the vendor.
- (4) A description of the penalties for which the vendor will be liable in the event of a failure to comply with the provisions of this article; said description shall state that unless remedied in accordance with § 20A-15 of this article, a violation of this article shall be considered a material breach of the contract which shall result in enforcement of the penalties described in § 20A-17 of this article.

B. Prior to awarding any contract or agreement to procure professional services or extraordinary unspecifiable service from any entity, the City of Hoboken or its departments, instrumentalities or

authorities, as the case may be, shall receive a written certification from the intended recipient of said contract, made under penalty of perjury, that he/she/it has not made any contributions in violation of this article. The City of Hoboken, its departments, instrumentalities or authorities shall be responsible for informing the City Council that the aforementioned written certification has been received and that the entity is not in violation of this article, prior to awarding the contract or agreement.

C. The recipient of said contract or agreement shall have a continuing duty to report any violations of this article that may occur during the proposal process, negotiations, duration of the contract period or the completion of the performance of that contract or agreement. The certification required under this section shall be made prior to entry into the contract or agreement with the City of Hoboken or prior to the provision of services or goods, as the case may be, and shall be in addition to any other certifications that may be required by any other provision of law.

§ 20A-15

Return of excess contributions.

A. A recipient of a contract for professional services or extraordinary unspecifiable services may cure a violation of § 20A-12 of this article if, within 45 days after the date of the contribution, the contract recipient notifies the municipality, in writing, and seeks and, within 45 days after the date of the contribution, receives reimbursement of the contribution from the recipient of such excess contribution.

B. Except that it shall be presumed that any contribution that violate this article, made within 60 days of an election of candidates for elective office in the City of Hoboken, was not made inadvertently, and such contributions shall not be eligible for reimbursement; thereby, the entity making such contributions cannot remedy the violation of § 20A-12 of this article.

§ 20A-16

Exemptions.

The contribution limitations prior to entering into a contract in § 20A-12A do not apply to contracts which are awarded to the lowest responsible bidder after public advertising for bids and bidding therefor within the meaning of N.J.S.A. 40A:11-4 or are awarded in the case of emergency under N.J.S.A. 40A:11-6. There shall be no exemption for contracts awarded pursuant to a fair and open process under N.J.S.A. 19:44A-20 et seq.

- (7) Engages in any exchange of contributions to circumvent the intent of this article; or
- (8) Directly or indirectly, through or by any other person or means, do any act which would subject that entity to the restrictions of this article.

B. Furthermore, any business entity that violates § 20A-17A(2) through (8) shall be disqualified from eligibility for future contracts with the City of Hoboken, its departments, instrumentalities or any independent authority created thereby for a period of four calendar years from the date of the violation.

§ 20A-18

Citizens private right of action.

Notwithstanding any other common right of law, any Hoboken citizen or citizen's group shall have the right to sue any or all entities in violation of this article, including the business entity awarded a contract or agreement to provide professional services or extraordinary unspecifiable services, as defined in § 20A-12, the candidate or committee as specified in § 20A-12A above and/or the City of Hoboken, in order to compel those entities to comply with this article.

§ 20A-19
