City of Hoboken
Community Development Block Grant Program
Citizen Participation Plan
Revised February 22, 2021

Introduction
The City of Hoboken was designated as an Entitlement Community in 2015, allowing it to receive funds annually from the U.S. Department of Housing & Urban Development’s Community Development Block Grant Program. All Entitlement Communities are required by law to have a detailed Citizen Participation Plan that contains the City’s policies and procedures for public involvement in the Consolidated Plan process and the use of Community Development Block Grant (CDBG) funds.

Citizen participation is a vital part of the Consolidated Plan process. Citizens, non-profit organizations and other interested parties must be afforded adequate opportunity to participate in the planning process. This includes:

- Access to meetings;
- Access to information;
- Technical assistance as required;
- Public hearings to identify housing and community development needs and review of proposed uses of funds; and
- Timely response to complaints and grievances.

The following describes the guiding principles for citizen participation by the City of Hoboken in the planning and implementation of the HUD Consolidated Plan.

Encouraging Public Participation
The law requires that our Citizen Participation Plan both provides for and encourages public participation, emphasizing involvement by low- and moderate-income people—especially those living in low- and moderate-income neighborhoods. Also, the U.S. Department of Housing and Urban Development (HUD) expects the City of Hoboken to take whatever actions are appropriate to encourage participation of minorities, people who do not speak English, and people with disabilities.

Copies of this Citizen Participation Plan, as well as summaries of basic information about CDBG Planning process will be made available in the languages of residents who comprise a significant portion of the low and moderate income population. Currently, the City of Hoboken has materials in English only. Residents needing materials in other languages are encouraged to contact City staff.

The Role of Low-Income People
The law declares that the primary purpose of the programs covered by this Citizen Participation Plan is to improve communities by providing: decent housing, a suitable living environment, and growing economic opportunities—all principally for low and moderate income people.

Because the amount of federal CDBG funds the City of Hoboken receives each year is mostly based upon the severity of both poverty and substandard housing conditions in Hoboken, it is necessary that public
participation genuinely involve low income residents who experience these conditions. Genuine involvement by low income people must take place at all stages of the process, including:

- Identifying needs.
- Setting priorities among these needs, deciding how much money should be allocated to each high-priority need, and suggesting the types of programs to meet high-priority needs.
- Overseeing the way in which programs are carried out.

The Various Stages of the Consolidated Plan Process
The policies and procedures in this Citizen Participation Plan relate to several stages of action mentioned in law or regulation. In general, these stages or events include:

- Identification of housing and community development needs.
- Preparation of a draft use of funds for the upcoming year called the proposed Annual Action Plan or the development of a proposed new 5-Year Strategic Plan.
- Formal approval by elected officials of a final Annual Action Plan or 5-Year Strategic Plan.
- On occasion during the year, it might be necessary to change the use of the money already budgeted in an Annual Action Plan, or to change the priorities established in the 5-Year Strategic Plan. In that case, a formal Substantial Amendment will be proposed, considered, and acted upon.
- After a program year is complete, an Annual Performance Report must be drafted for public review and comment and then sent to HUD.

The Program Year
The program year chosen by City of Hoboken is July 1 through June 30.

City of Hoboken Citizen Participation Activities
The City of Hoboken Citizen Participation activities will include:

- Advertisements;
- Community Outreach;
- Public Hearings;
- Access to Information;
- Technical Assistance; and
- Timely Response to Complaints and Grievances.

Community Outreach
In order to assure that all citizens have the opportunity to participate in the planning process, the City of Hoboken will conduct community outreach on the development of the strategic plan. The objectives of outreach will be to:

- Obtain views of citizen, public agencies and other interested parties;
- Announce the availability of technical assistance and funds;
- Respond to proposals and comments at all stages of the Consolidated Plan submission process, including:
  - Identifying housing and community development needs,
• Reviewing proposed uses of funds, and
• Reviewing program performance.

Public Hearings
The City of Hoboken will host two (2) public hearings each year. Typically, these hearings may consist of either: 1) a meeting to gather public input and funding for current program year; 2) a meeting to review a draft of the Five-Year Plan and One-Year Plan to the general public; and/or 3) a city council meeting, where legislation regarding either the strategic plan or the annual action plan is read and/or considered for approval. Also, each year, a public hearing will be held once the draft plan is complete, to solicit comments on the strategies and proposed use of funds. Public hearings will be conveniently timed and located for people who will benefit from the program funds and will be accessible to persons with special needs.

Access to Information
Citizens, public agencies and other interest parties, including those most affected, will have the opportunity to receive information, review and submit comments on any proposed submission concerning any of the following documents:

• The proposed and final Annual Action Plans.
• The proposed and final 5-Year Strategic Plan (the “Consolidated Plan”).
• Proposed and final Substantial Amendments to either and Annual Action Plan or the Multi-Year Strategic Plan.
• Annual Performance Reports.
• The Citizen Participation Plan.

Interested parties may access these documents at no cost by the Internet, at the City of Hoboken website; at the Hoboken Library; or by contacting city staff. These materials will be available in a form accessible to persons with disabilities and in a style for individuals that do not speak English, when requested.

Citizens will be provided 15 days to comment on the City’s annual performance report, prior to HUD submittal on or about May 15th of each year.

Technical Assistance
City staff will work with organizations and individuals and representatives of low and moderate-income people who are interested in submitting a proposal to obtain funding for an activity. All potential applicants for funding are encouraged to contact City staff for technical assistance before completing a proposal form. Additionally, City staff will work with individuals and organizations receiving Consolidated Plan monies to ensure that funds are being spent for their intended purpose and within the rules and regulations of the federal government.

Timely Response to Complaints and Grievances
City staff will provide timely, written responses to written complaints and grievances within thirty (30) days of receipt, where practical.
Substantial Amendments

Prior to the submission of any substantial change in the proposed use of funds, citizens will have thirty (30) days notice and the opportunity to comment on the proposed amendment using the citizen participation methods outlined in the plan and/or methods that result in effective notice and comment.

A substantial amendment to the consolidated Plan is when one of the following decisions is to be made:

1. A change in the use of CDBG funds from one activity to another, and a change to increase or decrease funding or cost of an activity, project or program by more than 20% of the funds that were originally allocated for that activity, project or program. This does not include activities, projects or programs that are completed under budget by more than 20%. The unspent balance may go to new activities, but citizens will need opportunity to comment.
2. The elimination of an activity originally described in the Annual Action Plan
3. The addition of an activity not originally described in the Annual Action Plan.
4. A change in the purpose of an activity, such as a change in the type of activity or its ultimate objective – for example, a change in a construction project from housing to commercial.
5. A meaningful change in the location of an activity.

Section 108 Loan Guarantee Program

Applications for assistance filed by the City of Hoboken for Section 108 Loan Guarantee assistance authorized under HUD regulation 24 CFR Part 570, Subpart M, are subject to all provisions set forth within this Plan. Such applications for Section 108 assistance may be included as part of the Consolidated Planning process, or may be undertaken separately anytime during the City’s program year.

a. Before the City submits an application for Section 108 loan guarantee assistance, the City will make available to citizens, public agencies and other interested parties, information that includes the amount of assistance the City expects to be made available (including program income), the range of activities that may be undertaken, the estimated amount that will benefit persons of low- and moderate-income, and any activities likely to result in displacement.

b. The advertisement will begin a 30-day written citizen review and public comment period unless an expedited review is necessary and permitted.

c. During the comment period, the City will consider any comments or reviews of citizens received in writing during the comment period prior to consideration and submission to HUD and may be done concurrently with the public review and comment process for the Consolidated Plan. A summary of these comments or views, and a summary of any comments or views not accepted and the reasons why, will be attached to the final application for submission to HUD.

d. Upon approval by the City Council, the Section 108 Loan Application and comments will be posted on the City’s website and made available for viewing. The Mayor will submit the Section 108 Loan Application to HUD.
Coronavirus Aid, Relief and Economic Security Act (CARES)

In accordance with the 2020 Coronavirus Aid, Relief and Economic Security Act (CARES Act) and in similar emergency circumstances where social distancing is necessary, in-person public hearings are not required. The City will make a good faith effort to provide an opportunity for the public to participate using whatever means are available, including electronic communications and virtual meetings. The City may meet public hearing requirements with virtual public hearings if: 1) national/local health authorities recommend social distancing and limiting public gatherings for public health reasons; and 2) virtual hearings provide reasonable notification and access for citizens in accordance with the grantee’s certifications, timely responses from local officials to all citizen questions and issues, and public access to all questions and responses.

Citizens will be provided with reasonable notice and opportunity to comment on proposed amendments. This will be accomplished through notification of a public hearing in the non-legal section of with general circulation within the City and notification on the City’s website. These notices will be published at least two weeks prior to the hearing. However, in accordance with the Coronavirus Aid, Relief and Economic Security Act (CARES Act), in emergency circumstances, expedited procedures must include at least (5) five days’ notice prior to the hearing and reasonable opportunity to comment of no less than (5) five days. The 5-day period can run concurrently for comments on the action plan amendment and amended citizen participation plans. This authority is in effect through the end of the 2020 program year.
