Section I. Purpose of Executive Order:

The purpose of this Executive Order is to create a City of Hoboken Art Committee to act in an advisory capacity to the Mayor in the administration of the City of Hoboken Public Art Program, which terms are to be defined as follows:

The Administration may then forward the proposal to the Art Committee for review.¹ The Business Administrator shall ensure that the Mayor receives a copy of all proposals that are submitted. The Art Committee shall review and vote on proposals within forty-five (45) of receiving said proposal. The Art Committee shall vote to recommend, not recommend, or recommend with amendments the proposal, and shall send to the Mayor the results of the vote and an evaluation in the form of a statement of reasons which sets forth the reasons for the Art Committee's decision. The statement of reasons shall include, at a minimum*, an analysis of the following factors:

9. Unique and innovative aspects of the artwork; and
10. Recommendation of the Councilperson for the Ward wherein the proposed artwork will be located.

*Additional considerations beyond the required factors above are encouraged to be included in the statement of reasons.

The Ward's Councilperson's recommendation, comments, thoughts, and ideas shall be made clear in the statement of reasons provided to the Mayor.

The Mayor will review all recommendations and evaluations of proposals submitted to the Art Committee. The Mayor will negotiate the terms of an agreement with the artist directly for all proposals that he approves. Once an agreement has been negotiated, the Mayor will present the agreement to the City Council for a public hearing at the next available regularly scheduled City Council meeting. At the next regularly scheduled City Council meeting following the public hearing, the Mayor will submit a resolution of approval to the City Council to approve the agreement.

The Business Administrator shall be responsible to keep the following records:

- a) Preparing recommendations for the annual Public Art Plan to be submitted to the Business Administrator;

- b) Surveying the City of Hoboken Art Collection on an annual basis to make recommendations for restoration, repair and maintenance if necessary. These recommendations shall be reviewed and approved by the Business Administrator for presentation to the Mayor;
- c) Preparing an evaluation of the Public Art Program to determine if there are any recommended changes to the Program every two years and presenting the recommendations to the Mayor.

Section 5. Funding:

- a) Funding for the City of Hoboken Public Art Program shall be accomplished by annually setting aside one percent (1%) of Capital Improvement Project funding for public art as outlined in Executive Order No.: 4, dated June 25, 2018. The percentage, approved in advance by the City Council for the Public Art Program, shall be added to the total cost of each proposition in the City of Hoboken's Capital Project programs.
- b) Funds shall be used for the artist fees and costs related to the production and maintenance of artwork. Funds shall not be used for professional graphics, mass produced work or work not produced by an approved artist. Allocations shall be calculated based on the total of all engineering, design and construction costs. The appropriation for the Public Art Program will be calculated only on the original appropriation for amendments and change orders.

Section 6. Regulations:

The Business Administrator and/or the Business Administrator's designee shall be permitted to promulgate such reasonable internal regulations as to effectuate the intent and purpose of this Order.
