Cancellation and procedure

Category U9 & U11:

The CIC On Swiss Bike Cup for the U9 and U11 categories consists of seven events. The winners will be determined in skill courses (the child who has collected the most points on the course wins) and cross-country races. In the XC races, a race duration of approx. 4 - 8 minutes (U9) and 6 - 12 minutes (U11) is sought.

The winner is the one who has collected the most ranking points in both competitions.

Weighting competitions:

U9: Course 75%/Race 25%

U11: Course 50%/Race 50%

In the event of a tie, the following criteria will determine the day's victory.

1. The better result from the course
2. The better time from the mass start race

In the case of the courses, the time required does not matter, as long as a mass start race is carried out.

The **race** in Gränichen is an exception. There is only one course. If only the course is carried out in a stage, the first thing that counts is the mistakes in the course and the second criterion is the time required.

Caregivers and parents are prohibited from entering the course during the competition. In the event of a violation, it may result in a points deduction.

The first 5 boys and 5 girls in each category usually receive a prize in kind at the award ceremonies.

Categories U13, U15 & U17:

The CIC On Swiss Bike Cup for the U13, U15 and U17 categories consists of seven events. The categories U13, U15 and U17 race on the cross-country course with an approximate race duration (winning time) of 25 to 35 minutes (U13), 35 to 45 minutes (U15) and 45 to 55 minutes (U17).

In the U17 category, only Swiss men and women are eligible to participate in the race in Echallens (Swiss Championships). The race is part of the overall ranking of the Swiss Bike Cup.

The first five boys and five girls in each category usually receive a prize in kind at the award ceremonies.

Regulations 2024

Category Fun:

The CIC On Swiss Bike Cup for the Fun categories consists of a total of seven events

Four categories are carried out:

Fun Women

Fun Men

Fun Seniors

Easy Ride

The fun races are held for those born in 2006 and older who are **not** in possession of a racing license.

The duration of the cross-country races (winning time) should be between 45 and 60 minutes. The categories are ranked separately.

The Fun Easy Ride category completes one or two laps less than the Fun Men's category.

The first three men and three women in each category usually receive a prize in kind at the award ceremonies.

There will be no award ceremony for the "Fun Easy Ride" category.

Grid

In the **Kids and Fun categories**, the starting line-ups will be based on the current Cup intermediate ranking, provided they are correctly registered.

The girls are lined up behind the boys, usually the start of the girls is about **one - three minutes** later. In the skill course (**Cat. U9/U11**), the leaders of the intermediate classification start at the end.

At the first race (**season opener**), the ten best of last year's CIC ON Swiss Bike Cup overall standings can stand at the front of the fun categories.

In the case of the kids, the ten best per year will be called, after which those who finished at least 1.000 in last year's overall ranking of the CIC ON Swiss Bike Cup will be called. **220** points, then after receipt of registration.

The **licensing categories** are governed by the regulations of the UCI (Union Cycliste Internationale). See www.uci.org. Riders without UCI points will be called according to the current Swiss Cycling annual ranking (top 20) and then according to the Cup classification.

At the **season opener**, the riders without UCI points will be ~~lined up according to the registration date~~, analogous to the Kids and Fun categories.

In the juniors and amateurs/masters, the top ten of the youngest age group will be placed directly after the riders with UCI points.

In the case of a UCI Junior Series, the corresponding regulations apply.

In the Kids and Fun categories, the overall leaders will be dressed in the official CIC On Swiss Bike Cup Leader jersey after each run. **This must not be printed.**

The licensed riders will also receive a leader's jersey printed with the team logo. The licensed riders are obliged to wear the leader's jersey at further starts at the CIC On Swiss Bike Cup.
