During the orientations, parents and campers will have an opportunity to meet their Division Heads, Counselors and fellow campers. We will provide important information to parents about the Summer. Our Camp Nurses will also be available to accept medications. Additionally, we will distribute Camper backpacks and t-shirts. We encourage ALL campers and parents, both new and returning, to attend their orientation, even if they are not in Camp the first week.

If you are unable to visit us, Campers will receive their backpacks on their 1st day of camp. Just pack their belongings in a different bag.

See you at Camp!
