

Wataynikaneyap Transmission Project Training Program Application

Ganawenjigewin - Environment Protection Training Program is delivered by Opiikapawin Services LP. The four-week hands-on training program will run in the fall of 2020. Training is delivered over four weeks and provides hands on instruction in Indigenous Ecological Knowledge and Western Science, learning the use of the two systems of environmental knowledge to protect the Mother Earth. Participants will be learning the use of the two systems of environmental knowledge to protect the Mother Earth. Travel, accommodation, meal allowance and a training stipend are included.

Name : _____ Date : _____
