

CAREER OPPORTUNITY

Become part of one of the largest electric infrastructure projects ever to connect 17 remote First Nation communities in Ontario! Join a talented team that is providing reliable, accessible energy to remote communities. This First Nations-led project advances only with full respect for the land, rights, guiding principles, and way of life.

Wataynikaneyap Power PM Inc., (the “Project Manager”) a wholly owned subsidiary of FortisOntario Inc., acts as the Project Manager of Wataynikaneyap Power LP (“Wataynikaneyap Power”). Wataynikaneyap Power is a licensed transmission entity, majority-owned by a partnership of 24 First Nation communities in partnership with Fortis Inc. and other private investors. The partnership is an unprecedented undertaking and is currently constructing 1,800 kilometres of 230 kV, 115 kV, and 44 kV transmission lines and over 20 substations in northwestern Ontario. Located in our Fort William First Nation, ON office, Wataynikaneyap Power is currently recruiting for a talented:

PROJECT CONTROLS COORDINATOR (Multi-Year Project Position)

The Project Controls Coordinator is involved in all aspects of the Project including planning, budgeting, overseeing and documenting. This position will work closely with the Manager, Project Controls to make sure that the scope and direction of the project is on schedule – as well as offering support to other departments. This position will also provide support to technical and operations groups related to document control, coordinating meetings related to construction efforts and other various technical support tasks. The incumbent must ensure all work assigned is performed efficiently, while demonstrating a personal commitment to the safety of co-workers, the public, oneself, and the environment.

Please email HR@wataypower.ca for a full job description.

REQUIRED QUALIFICATIONS:

- Post-secondary education in Business, Engineering or another relatable technical program is required
- Five (5) years' experience in a Project Management role with increasing levels of responsibility
- Experience working in a utility environment would be considered an asset
- Project Management Professional (PMP) Designation, in good-standing, would be considered an asset
- High degree of proficiency and experience using MS Excel, Word and PowerPoint
- Ability to learn file management software and navigate easily
- Demonstrated high level of attention to accuracy and proven attention to detail
- Must have a valid Ontario “G” driver's license and maintain a clean driver's abstract

Please submit your application to HR@wataypower.ca by **May 10, 2021** and indicate “**WTY-PRCC**” on subject line.

We encourage First Nation candidates to apply! Wataynikaneyap Power PM Inc. thanks all respondents but we will only contact those selected for an interview. The Company is committed to accommodating applicants with disabilities and will work with applicants that request accommodation(s) during the recruitment cycle.
