1. Introduction

The school aims to encourage an understanding of the meaning and significance of faith, and promotes Christian values through the experience it offers to all its pupils. Our aim is that every child will reach their full potential and we encourage children to reach for 'their star'.

The school vision is:

***'Love one another as I have loved you' (John 13: 34-35)
helping each other to reach for the stars.***

The whole community aspire to fulfil this vision through our Christian values of community, perseverance, honesty, compassion, respect and responsibility each being a 'stepping stone' to success.

At Stone School we embrace a 'nurturing lifelong learners' ethos. We believe in the potential of every child so all the children are given the opportunity to develop the capacity to surprise themselves and those around them. They are taught to challenge themselves to build confidence and resilience.

The Governing Body of Stone C of E School is committed to promote the inclusion, well-being and achievement of all its Looked After Children (LAC and pre-LAC).

The Governing Body will ensure that the school has a Designated Teacher for LAC and pre-LAC and that the Designated Teacher is able to carry out his/her responsibilities effectively.

Designated Teacher for LAC and pre-LAC:	Mrs S Hale (Deputy Headteacher)
Governor responsible for LAC and pre-LAC:	Mrs A Foy

National and Local Context

- There are approximately 500 children in care in Buckinghamshire and about 350 of these are of statutory school age.
- 50% of children in care nationwide reach school leaving age with no educational qualifications and a significant percentage are unemployed a year after leaving care.
- Educational underachievement and social isolation are clear issues for this very vulnerable group.

Nationally, Looked After Children significantly underachieve and are at greater risk of exclusion, compared with their peers. Schools have a major part to play in ensuring that Looked After Children are enabled to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic well-being.

Stone CE Combined School believes that in partnership with Buckinghamshire Council as Corporate Parents we have a special duty to safeguard and promote the education of Looked After Children.

Who are Looked After Children?

Under the Children Act 1989, a child is looked after by a local authority if he or she is in their care or provided with accommodation for more than 24 hours by the authority. They fall into four main groups:

- children who are accommodated under a voluntary agreement with their parents (section 20)
- children who are the subjects of a care order (section 31) or interim care order (section 38)
- children who are the subjects of emergency orders for their protection (sections 44 and 46)
- children who are compulsorily accommodated – this includes children remanded to the local authority or subject to a criminal justice supervision order with a residence requirement (section 21).

The term 'in care' refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989 - they may live with foster carers, in a Children's home, in a residential school, with relatives or with parents under supervision. Children who are cared for on a voluntary basis are 'accommodated' by the local authority under section 20 of the Children Act – they may live in foster care, in a Children's home or in a residential school. All these groups are said to be 'Looked After Children' - LAC and pre-LAC. They may be looked after by our local authority or may be in the care of another authority but living in ours.

LAC and pre-LAC reviews, involving the school, will take place until an adoption order has been granted. However, Pupil Premium Plus funding will continue for LAC and pre-LAC until they are 16 years old.

AIMS

1. To provide a safe and secure environment, where education is valued and there is a belief in the abilities and potential of all children.
2. To support our looked after children and give them access to every opportunity to achieve to their potential, enjoy learning and take as full a part as possible in all school activities.
3. To ensure that school policies and procedures are followed for LAC and pre-LAC and pre-LAC as for all children.
4. To work with the Virtual School and ensure that carers and social workers of LAC and pre-LAC pupils are kept fully informed of their child's progress and attainment.

5. To fulfil our schools' role as corporate parents to promote and support the education of our Looked After Children, by asking the question, **'Would this be good enough for my child?'**

Our school's approach to supporting the educational achievement of Looked After Children is based on the following principles:

- Prioritising education
- Promoting attendance
- Targeting support
- Having high expectations and raising aspiration
- Promoting inclusion
- Achieving stability and continuity
- Early intervention and priority action
- Listening to children
- Promoting health and well-being
- Minimising exclusions and promoting stability
- Working in partnership with carers, social workers and other professionals

IN PURSUIT OF THIS POLICY WE:

- Nominate a Designated teacher for Looked After Children who will act as their advocate and co-ordinate support for them.
- Nominate a school governor to ensure that the needs of Looked After Children in the school are taken into account at a school management level and to support the Designated Teacher.
- Support the Designated teacher in carrying out their role by making time available and ensuring that they attend training on Looked After Children.

The role and responsibilities of the designated teacher for looked after children

Designated teacher (DT)

The role became statutory in September 2009 under the Children and Young Persons' Act 2008 (the 2008 Act).

The designated teacher must be a qualified teacher or a member of staff who is likely to gain QTS by September 2014.

Ideally, s/he should be a senior member of staff who has enough status and experience to advise and provide training to school staff on issues relating to LAC and pre-LAC. They need to be able to influence decisions about the teaching and learning of these children.

Responsibilities in school:

- knowing who all the LAC and pre-LAC are in school and ensuring that availability of all relevant details from school record-keeping systems as required.
- Attending relevant training about LAC and pre-LAC and acting as the key liaison professional for other agencies and carers in relation to LAC and pre-LAC
- Promoting a culture of high expectations and aspirations for how LAC and pre-LAC should learn.
- Helping school staff understand the issues that affect the learning of LAC and pre-LAC such as adapting teaching strategies appropriate for individual children and in making full use of AfL.
- Making sure that LAC and pre-LAC are prioritised in one-to-one tuition arrangements and that carers understand the importance of supporting learning at home.
- Removing the barriers to learning for LAC and pre-LAC.
- Ensuring any LAC and pre-LAC new to the school are welcomed positively and assessed when they start at the school to identify strengths and weaknesses in their learning. This will be used to inform planning and teaching.
- Developing personalised learning packages for LAC and pre-LAC in conjunction with the relevant teaching staff.
- Ensuring that the LAC and pre-LAC in have a voice in setting learning targets for themselves.
- Championing for LAC and pre-LAC.
- Leading on developing and implementing the PEP within the school. The social worker is responsible for initiating the PEP process completing the front page of the PEP form.
- Monitoring the child's progress against the targets on the PEP and extending these targets if they have been achieved.
- Ensuring the child makes a smooth transition to the new school and that the child's records are transferred without delay.
- Liaising with the Virtual School in all aspects of the LAC and pre-LAC progress and support.
- Convening urgent multi-agency meetings if a LAC and pre-LAC is experiencing difficulties or is at risk of exclusion.
- Arranging for a mentor or key worker to whom the young person can talk to if required. Arranging for the LAC and pre-LAC to be supported by his/her peers.
- Promoting good home-school links and the importance of education as a way of improving life chances for LAC and pre-LAC.

The role and responsibility of the governing body

- Support the local authority in its statutory duty to promote the educational achievement of LAC and pre-LAC.
- Ensure that the designated teacher (DT) is given the appropriate level of support in order to fulfil their role.
- In partnership with the head teacher, ensure that, through their training and development, the DT has the opportunity to acquire and keep up-to-date the

necessary skills, knowledge and training to understand and respond to the specific teaching and learning needs of LAC and pre-LAC.

- Governing bodies and the SLT should make sure that the DT role contributes to the deeper understanding of everyone in the school who is likely to be involved in supporting LAC and pre-LAC to achieve.

This policy links with a number of other school policies and it is important that Governors have regard to the needs of Looked After Children when reviewing them:

- The school code of conduct
- Behaviour Policy
- Anti-bullying Policy
- Home-school agreement
- Equal Opportunities Policy
- Safeguarding Policy
- Special Educational Needs Policy

The school will champion the needs of Looked After Children, raise awareness and challenge negative stereotypes about them, in order to ensure that they achieve to the highest level possible.
