Anti-Racism Resources for Educators

maggolee.org.au

First Peoples across the country disproportionately face racism, discrimination, and inequality.

Overcoming racism and understanding power relations requires a commitment from all Australians to take ownership and responsibility for their own learning and role in addressing it.

Reconciliation Victoria presents this resource to educators with a range of links and resources for the classroom and ways to take action against racism in school communities.

Take Action Against Racism: In the School Community

Victorian Department of Education and Training

Bully Stoppers: Racist Bullying

Provides an overview on racist bullying and how to prevent it.

- Read: Information for Staff
- Read: Information for <u>Parents</u>
- Read: Information for <u>Students</u>
- Read: <u>Preventing Racist Bullying</u>
 <u>Planning Tool</u>

Schools Reporting Tools

Provide information and resources on support services and reporting mechanisms for those who have witnessed or experienced racism or religious discrimination in schools.

Take Action Against Racism: In the Classroom

AIATSIS

Guide to evaluating and selecting education resources

Assists educators, and others to critically self-reflect on history and the effects that this has on pedagogical practices today.

Centre for Multicultural Youth

Schools Standing up to Racism

Offers a range of resources that support Victorian schools to address racism and discrimination in their school environment

Victorian Aboriginal Education Association Inc. (VAEAI)

Koorie Education Calendar 2023

Provides educators with a calendar marking days of significance for Koorie Victorians and Aboriginal and Torres Strait Islander peoples across Australia. It also provides a range of resources and classroom activities that focus on Victorian Koorie cultures, histories, and perspectives in the classroom.

Australian Human Rights Commission

Racism No Way: Teaching resources

Resources developed to support the delivery of anti-racism education in the classroom. Included are lesson ideas, activities, and stimulus materials

Narragunnawali

Take Action Against Racism

Provides ideas for action, professional learning, and curriculum resources on how schools and early learning centres can build awareness of racism, its impacts and how to take action against it.

ABC Education
