

# Case Study

## Challenges

- High staff churn rate
- Poor quality candidates
- No communication structure with hiring managers
- Manual job posting

## Results

- 90% Savings on recruitment costs
- Hiring manager review process reduced by 87%
- Cut time-to-hire from 1 month to 1 week
- Automation of entire hiring process

“

I have a number of different functions in HR, but recruitment was taking up all of my time. **I can now focus on what matters, the people.**
