

TAILGATE SAFETY

**SAFETY
FIRST**

The FGI believes it is important to always put safety first. Our **Tailgate Safety Program** is a safety training resource for construction and other high hazard industries. Print out and conduct training right from your tailgate on the job site, or in a formal meeting at your office.

Safety training for the job site & the office!

Coronavirus Guidelines - 4/10/2020 - Ed Silva of E-Squared

DO YOUR PART TO SLOW THE SPREAD OF CORONAVIRUS

Even if you are young, or otherwise healthy, you are at risk and your activities can increase the risk for others. It is critical that you do your part to slow the spread of the Coronavirus.

CORONAVIRUS (**COVID-19**)

Below are the President's **CORONAVIRUS GUIDELINES** for America:

Work or engage in schooling **FROM HOME** whenever possible.

IF YOU WORK IN A CRITICAL INFRASTRUCTURE INDUSTRY, as defined by the Department of Homeland Security, such as healthcare services and pharmaceutical and food supply, you have a special responsibility to maintain your normal work schedule. You and your employers should follow CDC guidance to protect your health at work.

AVOID SOCIAL GATHERINGS in groups of more than 10 people.

Avoid eating or drinking at bars, restaurants, and food courts - **USE DRIVE-THRU, PICKUP, OR DELIVERY OPTIONS.**

AVOID DISCRETIONARY TRAVEL, shopping trips, and social visits.

DO NOT VISIT nursing homes or retirement or long-term care facilities unless to provide critical assistance.

PRACTICE GOOD HYGIENE:

- Wash your hands, especially after touching any frequently used item or surface.
- Avoid touching your face.
- Sneeze or cough into a tissue, or the inside of your elbow.
- Disinfect frequently used items and surfaces as much as possible.

Safety tips are presented monthly by FGI members & industry experts.
