

# TAILGATE SAFETY

The FGI believes it is important to always put safety first. Our **Tailgate Safety Program** is a safety training resource for construction and other high hazard industries. Print out and conduct training right from your tailgate on the job site, or in a formal meeting at your office.

**Safety training for the job site & the office!**

**Cold Weather Installations - 1/15/2021 - Brian Fraser of Layfield**

## **Cold Temperature Installation Plan -**

Safety, Material Handling, Welding, Equipment, CQA

**Grip** - utilize textured geomembrane for improved griptest

**Plan Ahead** - bring extra access ladders, if needed

**Wind Chills** – wear proper thermal clothing including insulated coveralls, boots, gloves, balaclavas

**Buddy System** - continuously monitoring yourself and others nearby for hypothermia and frostbite

**Fall Protection** – wear slip-resistant footwear and a safety harnesses to prevent possible slippage and falls
