Part B - Life Insurance Coverage

Term 20 Renewable up to 65 years and Convertible up to 55 years

BENEFITS

In the event of the *Life Insured*'s death, the *Insurer* will pay to the *Beneficiary*, while this *Policy* is in force, the benefit indicated in the Summary of Coverages, **up to a maximum of \$1,000,000**, subject to the limitations and exclusions of the *Policy*.

If, by mistake, the aggregate amount of insurance selected should exceed \$1,000,000, Humania Assurance will pay a maximum amount of \$1,000,000, cancel the contracts in excess of this amount, and refund the portion of the overpayments made.

PREMIUM

The premium for this coverage is indicated in the **Summary** Schedule of Benefits. **Renewal premiums** are indicated in the Renewal Premium Schedule. They are guaranteed for the first twenty (20) years of the contract.

After the first twenty (20) years of the contract, the premium amounts to be paid to *Humania Assurance* are not guaranteed. This means that *Humania Assurance* may modify the payment amount once (1) a year, if necessary. For example, the premium amounts may increase if the number of benefits paid to all clients is higher than the provision used to establish the premium amount.

Whether or not you submit a claim has no direct impact on your new premium amounts. When necessary, adjustments are made for a group of contracts with similar specifications.

CONVERSION PRIVILEGE

While this Term life insurance coverage under is in force the <u>Policyowner</u> may request that such coverage be converted without evidence of the <u>Life Insured</u>'s insurability, to a non-participating whole life insurance <u>Policy</u> with level premiums as designated by the <u>Insurer</u> at that time.

CONDITIONS

The life benefit cannot exceed the benefit indicated in the Schedule of Benefits.

The Conversion Privilege must be exercised prior to the <u>Policy</u> anniversary following the fifty-fifth (55th) birthday of the *Life Insured*.

The premium for the new *Policy* shall be based on:

- the Life Insured's attained age;
- the rates in use at the date of the conversion; and
- the Risk Class of this coverage.

If this coverage is issued with an extra premium or with limitations or exclusions, the converted coverage will also be issued subject to same conditions.

All additional coverages or benefits will be subject to satisfactory evidence of insurability.

TERMINATION OF COVERAGE

In addition to the terms of this <u>Policy</u>'s General Provisions, this Life Insurance coverage terminates at the earliest of the following dates:

- the date a written request from the <u>Policyowner</u> is received by the <u>Insurer</u>, stating that he wishes to terminate this Life Insurance coverage or the date stipulated in that request, if such date is later than the date of receipt by the <u>Insurer</u>;

BENEFITS

For a <u>Dependent child</u> already present by the effective date of the coverage, no life benefit is payable during the twelve (12) months following the effective date of this coverage if death results from a pre-existing condition.

The <u>Insurer</u>'s liability will therefore be limited to the refund of premiums paid and the coverage will terminate without value. However, if other Dependent children are present, the <u>Policyowner</u> can waive the premium refund. The coverage will therefore remain in force.

The conversion privilege is only allowed at the following dates:

- within sixty (60) days preceding an event that would make the <u>Dependent child</u> no longer meet the definition of <u>Dependent child</u>;
- within sixty (60) days preceding the anniversary date of the *Policy,* closest to the date on which the *Insured* reaches sixty-five (65) years old.

The premium for the new *Policy* shall be based on:

- the Dependent child's attained age on his or her closest birthday;
- the rates in use at the date of the conversion; and
- the *Risk Class* of this coverage.

- The date on which there is no longer a Dependent child;

- The date on which the entire coverage is converted for all the <u>Life Insured</u>s under this coverage.

- the date a written request from the <u>Policyowner</u> is received by the <u>Insurer</u> stating that he wishes to terminate this <u>Policy</u> or the date stipulated in that request, if such date is later than the date of receipt by the <u>Insurer</u>;
- the date the grace period for premium payment expires;
- the date of the Policy anniversary nearest to the Life Insured's sixty-fifth (65th) birthday;
- the date the Life Insured dies.

MISREPRESENTATION CONCERNING SMOKING HABITS

If the premium for this *Policy* is based on statements in the application for insurance or reinstatement to the effect that the Life Insured is a Non-Smoker and those statements are in fact false, those statements will be considered fraudulent and this *Policy* will be void from the effective date or reinstatement date. The Insurer may, if permitted under applicable law, require an autopsy and any failure to satisfy that request will give the *Insurer* grounds to refuse payment of the benefit.

The Policyowner and the Beneficiary are required to cooperate fully with the Insurer by providing all the information it may require and by signing any form or other document allowing the *Insurer* to obtain any information it deems relevant.

The *Policyowner* or any person entitled to submit a claim must provide the *Insurer* with all the documents it may require within ninety (90) days of the date of the death of the person insured.

In the event of a failure to give notice or provide proof within the stipulated periods, the *Policyowner* or the Beneficiary, as applicable, shall not be entitled to receive benefits with respect to the claim in question, for the period prior to the date on which the *Insurer* actually receives that proof.

The *Policyowner* must notify the *Insurer* of any change of address for the purpose of facilitating correspondence and the transmission of any document.

PAYMENT UNDER THE POLICY
