BIOGRAPHY

Roberto's practice focuses on complex civil matters, with an emphasis on patent litigation and trade secrets. He joined the firm in 2010. In the past years, Roberto worked in several matters involving pharmaceutical, biotechnology, and telecommunication industries. Additionally, he advises on issues related to cybersecurity, data privacy, and antitrust.

Roberto earned an LLM from Stanford Law School, where he was Lead Editor of the Stanford Technology Law Review. During 2017 and 2018, Roberto worked at Quinn Emanuel Urquhart & Sullivan, LLP in New York City. He has also published articles in technology law journals around the world.
