

Primary Location of work: Fort St. John, BC & Surrounding Area

Position(s): Environmental Professional - Biology

As Prospect continues to grow, we are seeking an individual to support our project team in the field and in the office in the role of environmental professional, with a focus on biology. This role may be suited to either an employment contract or a sub-contract, depending on the applicant. Familiarity with the applicable provincial, federal acts and regulations is required. If you possess the skills listed below, and are looking for an exciting change, contact us today. Email resume to careers@prospectenv.ca.

The following are some of the responsibilities that may be associated with this role:

- Communicate with Management and Supervisors
- Review site information, project requests and prepare field files
- Complete pre-construction assessments & reporting
- Bird Surveys & monitoring
- Wildlife & wildlife habitat assessments
- Stream & wetland related assessments
- Environmental Monitoring
- Support in other facets of field work and office work
- Prepare and review reports and appendices for the above noted projects

A successful candidate will possess a combination of the following skills and qualifications:

- Relevant Canadian education (technical diploma or degree)
- Member in good standing with designation in field or training
- Related field experience in Canadian environmental consulting or a related discipline
- Understanding of Canadian environmental regulations applicable to BC environmental consulting
- Excellent field and office skills related to biology assessments
- Technical writing skills
- High competency in suite of office programs
- Adept in mapping software applicable to the industry
- Possess or able to obtain standard safety certifications

Prospect offers a compensation package of competitive wages, RRSP program, retention bonus structure and benefits which will vary based on qualifications and experience. Thank you for your interest. Potential candidates will be contacted for interviews. *References are required.*
