- Introduce yourself and your team; Let them know our church is on a mission to deliver a gift to every new mover and you chose them!
- Give them the bucket and briefly explain what's inside.

- Is there anything we can help you with?
- Share your contact information for the future.

- Is there anything else we could pray with you about?
- Ask a pre-determined member of your group to pray

- If you sense openness, share the Gospel – GO THERE!
