 AMANDA BOLTON

## About Amanda Bolton

As a proud native of Las Vegas, I am committed to serving my community and my clients with passion and dedication. With a track record of success, including being voted AIOREP Top 10 Real Estate Agent in Client Satisfaction for 2018, and recognized as a Top 3% REALTOR® in the nation, my expertise speaks for itself. But it's not just about accolades - I am also actively involved in advocating for the blind as the longest-serving Board member of the National Federation of the Blind Southern Nevada Chapter. Additionally, I hold titles such as "Young Professionals Society of Diversity President" and "Chamber Spokesperson" awarded by the Women's Chamber of Commerce Nevada.

When I'm not working hard for my clients, I am volunteering in my community, receiving awards such as the Rising Star Award in 2018 and being inducted into the Women's Hall of Fame for my outstanding presence. With

nearly 500 hours of volunteer work and 32 closed deals in 2018 alone, I am dedicated to giving my all in everything I do. As a daughter, sister, friend, advocate, and businesswoman, I bring 150% effort to each role, including my most cherished one: REALTOR®. Contact me today for exceptional real estate services in Las Vegas.

**If You Value Professionalism,  
Positive Thinking And Great Results  
Then We Think The Same Way.**

## The history of Las Vegas

Las Vegas ("The Meadows" in Spanish) was founded as a city on May 15, 1905. The Nevada Legislature created Clark County on July 1, 1909.

The new county was named after William Clark, who brought the railroad to southern Nevada. At that time, Las Vegas was only 19.18 square miles and had a population of approximately 800.

In 1931, Hoover Dam's construction brought an influx of construction workers, which starts a population boom and gives the Valley's economy, which was in the grips of the Great Depression, a needed boost.

While gambling took place illegally for many years, it was officially legalized in March 1931 by the state legislature.

On a percentage basis, Las Vegas and Clark County experienced incredibly high growth rates starting in the 1930s and lasting until the Great Recession of 2008-2010. The population more than doubled during most decades of the 20th Century. By 2000, Las Vegas was the largest city founded in the 20th century.

Despite its reputation as a gaming and entertainment center, Las Vegas is in many ways similar to other low desert cities, such as Phoenix and Tucson. Recreation activities abound, and the alpine environment of Mt. Charleston is only 40 miles away.

Las Vegas continues to be the premier metropolitan area for hosting conventions and major events. Las Vegas is commonly referred to as The Entertainment Capital of the World, and is known across the globe for being a world-class hospitality destination.

The origin of the state name is Spanish meaning "snow-capped."

**Newspapers:** Las Vegas Sun, 702-385-3111, [www.lasvegassun.com](http://www.lasvegassun.com), Las Vegas Review-Journal, 702-383-0211, [www.lvrj.com](http://www.lvrj.com)

**Climate:** Las Vegas climate is classified as arid (dry). It averages 294 days of Sunshine per year (211 clear days, 83 partly cloudy). Highs of 105° are common from May to September, with several days exceeding 115°. The average annual rainfall is 4.13 inches. Humidity stays around 29%.

## Registering your vehicle

# Transportation

Students and active-duty personnel (including dependents) do not need to register their vehicles or acquire a new license in Nevada as long as they are not employed in the State of Nevada. Vehicles must be currently registered with the home state of valid insurance and driver's license.

Out-of-state drivers and vehicle registrations can be used by new residences for up to 30 days or before the prior items expire, whichever comes first. During that 30 days, they may be turned in to the DMV for Nevada documents.

Nevada law requires motorists to notify DMV of a change of address within 30 days of the move. Keeping your address current is essential so they can send renewal notices in the mail.

### New California Vehicle Registration

Documents needed to register are the originals of:

- Most recent registration
- Out-of-State plates
- Nevada Emissions Vehicle Inspection Report (smog check) if needed
- Nevada proof of insurance
- Nevada Vehicle Inspection Certificate (VIN Check)
- Certificate of Title if ownership is changing. If not changing ownership, the owner has the option of retaining the out-of-state title.

### Nevada Department of Motor Vehicles

555 Wright Way | Carson City, NV 89711  
For Additional Information: (877) 368-7828

### Register Online

## Getting around

# Monorail

From one end of the Strip to the other, visitors will be able to glide above the traffic at speeds of up to 50 mph. The system operates on a four-mile route that runs from the Sahara Hotel to the MGM Grand. Whether you are in town for business or pleasure, check out the monorail. It's fast, fun, and convenient transportation between Las Vegas Strip hotels.

### Monorail schedule

#### Monday-Thursday:

7:00 a.m. - 2:00 a.m.

#### Friday-Sunday:

7:00 a.m. - 3:00 a.m.

#### Station Information:

- Sahara Station
- Westgate Station
- LV Convention Center Station
- Harrah's / The Ling Station
- Flamingo / Caesars Palace Station
- Bally's & Paris Las Vegas Station
- MGM Grand Station

## Out & about

# Places to Visit

### Conservatory & Botanical Gardens at the Bellagio

3600 Las Vegas Blvd S

90,000 sq. ft glass-domed conservatory features exotic plants and flowers; displays changed monthly.

### Ethel M Chocolate Factory & Cactus Gardens

2 Cactus Dr, Henderson

Tour the chocolate factory and its two-acre botanical cactus garden. Twenty-minute, self-guided tours available.

Hours: 8:30 am - 7:00 pm.

### Fremont Street Experience

Fremont Street between Main Street & Las Vegas Blvd Features one-of-a-kind light and sound shows, with more than two million lights and 540,000 watts of sound. Hours: Begin at dusk daily and ends at midnight.

### Forum Shops at Caesars Palace

3500 Las Vegas Blvd S

The Fountain Festival features Bacchus and his entourage in an animated robotic show. Fall of Atlantis show in the Roman Great Hall and features a fountain and life-like animatronic characters, and a 50,000-gallon saltwater aquarium.

Hours: Starts at 10:00 am, both shows continue every hour on the hour.

### The Fountains of Bellagio

3600 Las Vegas Blvd

The show features fountains soaring to opera, classical, and whimsical music.

Hours: Weekdays | 12:00 pm - 8:00 pm

Weekends | 8:00 pm - 12:00 am

Show every 15 minutes every day.

### M & M World

3785 Las Vegas Blvd S

A four-story attraction that melts in your mouth, not in your hands. Showing daily a free 3D movie, "I Lost my 'M' in Vegas".

Hours: 9:00 am - 11:00 pm; Friday - Saturday until 12:00 am

### Silverton Aquarium

3333 Blue Diamond Road

A 117,000-gallon saltwater tank filled with over 4,000 tropical fish and three species of stingrays and sharks. An on-staff marine biologist answers guests' questions during the feeding shows.

Hours: Daily at 1:30 pm, 4:30 pm, and 7:30 pm.

### Siegfried & Roy's Secret Garden and Dolphin Habitat

3400 Las Vegas Blvd S

Features the exotic and rare Royal White Tigers.

Hours: Weekdays | 11:00 am - 5:00 pm

Weekends | 10:00 am - 5:00 pm

### Springs Preserve

Las Vegas Springs Preserve consists of 180 acres dedicated to nature walks and displays and is owned and operated by the Las Vegas Valley Water District. The Preserve is located approximately three miles west of downtown Las Vegas.

Hours: 9:00 am - 5:00 pm.

Open daily except for Thanksgiving Day and Christmas Day.

### Wildlife Habitat at the Flamingo Hotel

3555 Las Vegas Blvd S

Featuring Chilean flamingos, swans, ducks, Koi, and turtles.

Hours: Open 24 hours

## Exploring the outdoors

# National Parks & Recreational Areas

Southern Nevada offers several National Parks in the area that you will want to explore and discover for yourself. Year-round, these parks are a marvel of nature and provide some breathtaking vistas that make for some great photos.

Listed below are names of some National Parks located in the area:

- Death Valley National Park
- Grand Canyon National Park
- Great Basin National Park
- Hoover Dam
- Lake Mead National Recreational Area
- Mt. Charleston
- Red Rock National Conservation Area
- Valley of Fire State Park

### **Mt. Charleston**

The Spring Mountains rise out of the Mojave Desert to provide a forested, spring-fed haven for wildlife and an alpine retreat for visitors.

Each season offers a unique experience. From a cool escape in the summer to a snowy wonderland in the winter, the Spring Mountains offer a distinct change in seasons not normally found in the Mojave Desert.

Fall colors and spring wildflowers delight hikers who visit during these quieter seasons. We host public programs throughout the year, and local businesses specialize in seasonal offerings.

Spreading over 90 acres, the Spring Mountains Visitor Gateway offers a Visitor Center, Education Building, group picnic areas, two amphitheaters, trailheads, and expansive areas with benches to take in the views of Kyle Canyon and Charleston Peak.

The Seven Stones Plaza at the Gateway honors the seven Paiute tribes who consider this a sacred Nuwuvi creation place. Also found at the Gateway is the Silent Heroes of the Cold War Memorial, the nation's first national Cold War memorial.

The Spring Mountains National Recreation Area offers many trails throughout the area, from the wheelchair-accessible Acastus Trail to the breathtaking south and north routes to Southern Nevada's most prominent peak, the 11,916 ft Charleston Peak.

With many picnic areas to choose from, visitors can plan for a large group gathering or head up for a last-minute brunch. Whether you enjoy laying out under the stars with no one around or prefer to pull up to your site and have a restroom nearby, the Spring Mountains National Recreation Area has a camping option for you.

The drive through the Spring Mountains National Recreation Area is composed of multiple scenic byways. Even if you don't have time (or energy) for a hike, the drive from Las Vegas and back can be traveled in under three hours even if you stop for photos... which you'll definitely want to do!

Many of the trails offer loop opportunities that include single tracks and great views. Explore the limestone crags of the Spring Mountains. Many of these cliffs are also home to unique plants that can live only on these vertical faces, so please share the route and be careful not to harm them.

Thinking of taking your four-wheel-drive or OHV out into the wild? There are many trails in the Spring Mountains for off-roading adventures. Horseback riders can choose from various settings, from winding through Joshua Tree forests to trails high atop alpine ridges. Certified weed-free hay, pelletized feed, or grain products are required during your visit, and the Forest Service asks that you feed livestock weed-free feed 48 hours before entering the Spring Mountains.

The Spring Mountains are considered a "sky island" that creates an oasis environment for cooler weather, high elevation species to thrive in the middle of the Mojave Desert. Over 25 endemic plant and animal species are found here, meaning they are not found anywhere else on the planet! Trees vary in elevation, and some turn vibrant colors in the fall. Wildflowers can be spotted from late spring through fall.

### Lake Mead

Measuring 110-miles long, with a surface area of 274 square miles, the lake has more than 500-miles of shoreline for the thousands who, each day, boat, swim, water ski, hike, and fish it. Access off Interstate 15 in Nevada; U.S. Highways 93 and 95 in Nevada and Arizona. Lake Mead National Recreation Area is located about 30 miles south of Las Vegas via U.S. Highway 93.

The lake and surrounding area boast five developed beaches and marinas with campgrounds and other services, including Overton Beach, Echo Bay, Callville Bay, Las Vegas Bay, Temple Bar, and Boulder Beach. Boating of all kinds and personal watercraft use are popular within Lake Mead National Recreation Area. Waterskiing is a favorite activity on the broad expanses of open water, along with kayaking and canoeing.

Of course, swimming is a major form of water recreation during the summer months when lake temperatures warm into the 80-degree range. No lifeguards are present. Fishing enthusiasts can find some excellent sport fishing at Lake Mead, including varieties like largemouth bass, rainbow trout, striped bass, channel catfish, black crappie, and bluegill.

Only a few designated trails exist in the park, allowing those with experience to go out and explore on their own with the help of detailed maps and instructions to the most popular areas.

The designated trails range from 0.5 to 1.25 miles. Short desert hikes lead to places you will never see from a boat or car. One such place is colorful sandstone formations near the Red Stone Picnic Area along Northshore Road. Another is a canyon where an Indian petroglyph was carved in a rock wall hundreds of years ago.

Lee Canyon Ski Resort

Lake Mead

There are eight camping sites at Lake Mead - Boulder Beach, Hemingway, Las Vegas Bay, Katherine Landing, Echo Bay, Callville Bay, Temple Bar, and Cottonwood Cove. There are also six RV campgrounds with hookups. Paddlers can take two river trips, and one runs from Hoover Dam south through Black Canyon on Lake Mohave; the other begins in upper Lake Mead and explores the western gorges of the Grand Canyon.

### Hoover Dam

Hoover Dam is 727 feet high, 1,244 feet long, 660 feet thick at the base, and 45 feet thick at the crest. It weighs 5,500,000 tons and contains 3,250,000 cubic yards of concrete. Located 30 miles southeast of Las Vegas on State Highway 93. A 400 passenger parking garage is adjacent to the Visitor Center. Hoover Dam Visitor Center is open every day except for Thanksgiving and Christmas from 9 am to 5 pm. There is an admission fee to enter.

Your admission fee entitles you to the use of all facilities and services, which include: 35-minute guided tour, 25-minute historical film, exhibit hall, and scenic overlook. For Tour Reservations, call 702-293-8367.

The tour through the dam and power plant is 1/2 mile and lasts for approximately 35 minutes. The tour is fully accessible, and wheelchairs are available. You start the tour by descending 520 feet into the power plant. The tour is not recommended for those who have claustrophobia or for those who use pacemakers or defibrillators.

### Red Rock

The Red Rock Canyon National Conservation Area is located 20 miles west of Las Vegas. The 197,000-acre area boundaries a 13-mile scenic drive, many miles of hiking trails, picnic areas, and a visitors center with an exhibit room and bookstore.

Red Rock's most significant geological feature is the Keystone Thrust Fault. About 65 million years ago, two of the Earth's crustal plates collided with such force that part of a grey limestone plate was thrust up and over the younger red sandstone. The fault extends from the Cottonwood Fault north to the vicinity of La Madre Mountain. The 13-mile scenic drive is a one-way road that also allows bicycle traffic.

Sightseeing and hiking trails can be accessed from the parking areas on the side of the road. The scenic drive is open daily from 7 am to 8 pm. The entry fee is \$5 per carload, and you can also purchase a \$20 pass that will last you 12 months. Entrance is free for those who walk or ride their bicycles through the gate. Golden Age, Golden Access, and Golden Eagle Passes are all valid at Red Rock. Bicycles are permitted only on designated roads and trails. The Bureau of Land Management advises cyclers to wear helmets, bright clothing, carry water, obey traffic laws, and pay attention to drivers who may be distracted.

## Finding the right home

# Communities

### Southwest Area

#### Inspirada

Located in the Las Vegas Valley's southern foothills, this community features a diverse blend of architectural styles. The residential villages feature choices from brownstones to estate homes surrounding a city center filled with restaurants, shops, offices, and other commercial amenities.

#### Nevada Trails

Nevada Trails is an established community with 23 acres of parks and 10 acres of trails. Residents enjoy the palm-lined entry, parks, walking trails, and home exteriors and features such as courtyards and single-story designs.

#### Rhodes Ranch

In Southwest Las Vegas, Rhodes Ranch is the picturesque beauty of a waterfall and tropical palms, the peace of mind of a guard-gated entrance, and the flair of a championship links-style golf course.

#### Southern Highlands

Located in the southwestern valley, with easy access to I-215, the "Strip," and US 95. Many homes are being built on the Golf Course, which features a 42,000 sqft. clubhouse with library, wine room, dining, and shops. The north end is "The Estates," centered around the Southern Highlands Golf & Country Club. The south end of the community is "The Villages at Southern Highlands."

### Southeast Area

#### Anthem

An upscale development by Del Webb, Anthem is located high in the hills of the McCullough Mountains, spanning 2,525 acres. Developments within the Anthem master plan include Anthem Highlands, Anthem Country Club, and Coventry at Anthem.

#### Green Valley Ranch

Nestled in the Black Mountains' foothills and masterfully designed on 1,311 acres, this community is peaceful and clean, with easy access to I-215. The area is near The District at Green Valley.

#### MacDonald Highlands

This community overlooks the valley from the southeast corner of Henderson. 3,200 acres with four villages. DragonRidge Country Club, with an 18-hole championship golf course, walking trails, parks, and a manned 24-hour guard gate. This is a very private community.

#### Seven Hills

Located in the Southeast of the valley in Henderson, this 1,300-acre community high above the city offers 2,500 homes surrounded by business parks, shopping, golf course homes, a 27-hole golf course, clubhouse, tennis, and a 2,000 seat stadium.

#### Tuscany

The gated development is located close to Lake Las Vegas and the Lake Mead National Recreation Area. A Tuscany themed development offering the Tuscany Recreation Center and the Tuscany Golf Course.

## Northwest Area

### Iron Mountain Ranch

This community will boast 1,700 homes, a European-style spa, and a major resort/casino when complete. It is close to the Red Rock National Conservation Area, Silverstone Golf Club, and Aliante Golf Club and offers fast, fun, and convenient transportation between Las Vegas strip hotels.

### Providence

Providence is located on 1,200 acres in the upper west side of the Las Vegas Valley. Ideally situated on a high valley shelf with a dramatic mountain backdrop to the west and spectacular city lights to the east, Providence boasts a setting unmatched by any other master-planned community. While residents will cherish the feeling of being “a world away” from the city below, they also will have convenient access to every comfort imaginable.

### Red Rock Country Club

Red Rock composes 735-acres of exclusive and personalized homes and features two 18-hole golf courses designed by Arnold Palmer. Red Rock Country Club covers 42,000 square feet and borders the Red Rock Canyon National Conservation Area, providing panoramic views of the Las Vegas valley.

### Summerlin

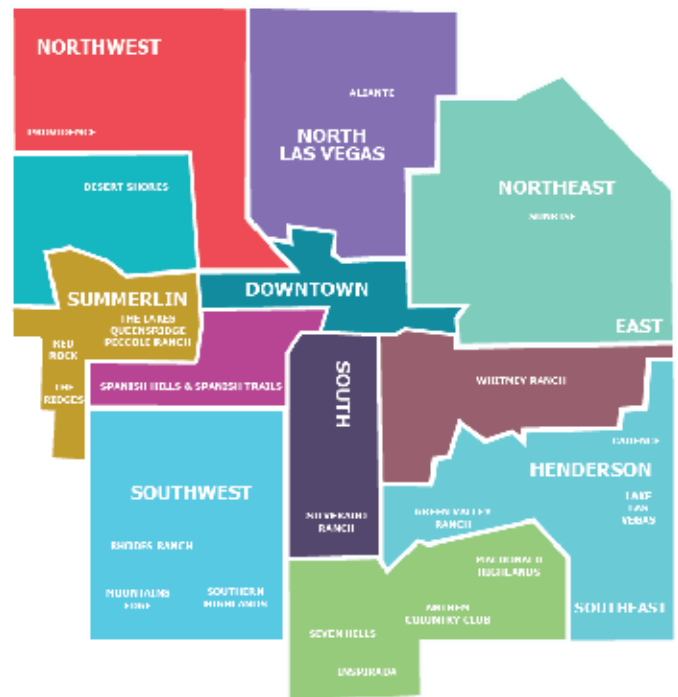

Located on the western foothills of the valley, Summerlin is unfolding in villages centered around its own major park, golf course, or major amenity. Currently, there are 17 villages; eventually, the community will be home to 30 villages with a distinctive style of architecture and design evident in streetscapes, landscaping, and village walls.

Summerlin is exclusive to the PGA Tour Tournament Players Club stadium golf course here in Nevada. It features a private 18-hole championship course in the hills near Town Center Drive and Summerlin Parkway.

## Northeast Area

### Aliante

This is the flagship master-planned development of North Las Vegas. It has 1,165 acres to be dedicated to residential development and 100 acres for commercial development. Amenities include an 18-hole championship golf course, parks, and a 24-mile trail system.

## Uniquely East

### Lake Las Vegas

Located just minutes from Lake Mead in Henderson, this 2,243-acre community offers two golf courses, custom homes and home sites, two major resort/casinos, shops, a beach, marina, Yacht Club, and fitness club.

## A wide variety of education institutes

# Education

Clark County School District (CCSD) is the fifth-largest in the United States, with 309,893 students. CCSD offers a range of programs for the unique needs of their students. CCSD offers magnet schools and programs, various accelerated and Advance Placement programs, and special education services in addition to the core curriculum.

### Human Resources Division

2382 E Flamingo Road  
Las Vegas, NV 89121  
(702) 799-5011

### Accountability Reports

Accountability Reports furnished each spring to parents include statistics about a school's performance and achievements, highlights, awards, goals, and technology use. Accountability Reports are available online from the CCSD's web site at [www.ccsd.net](http://www.ccsd.net) on the "Schools" link then on School Accountability Reports.

### Age Requirements

Nevada law requires school attendance between ages 7 and 18. Kindergarten is part of the regular school program. A child must be five years old on or before September 30 to attend kindergarten and must be six years old on or before September 30 to enter first grade.

State law requires a child to attend a state-approved kindergarten program or take a developmental assessment test to enter first grade.

### Bus Services

Students who live more than two miles from zoned schools are eligible for bus transportation. Those who are eligible must fill out an application form requesting the service. The forms are available throughout CCSD.

Bus times and route schedules can be obtained through your child's school or at [www.ccsd.net/transportation](http://www.ccsd.net/transportation).

Students with zone variances will not be bused. Parents will be responsible for the child's transportation to and from school.

### Meals at School

All schools allow students to purchase breakfast and hot lunches.

- Elementary schools average \$1 for breakfast and \$1.50 for lunches.
- Middle/High Schools average \$1.25 for breakfast and \$2, \$2.50 or \$3 for lunches.

For students in kindergarten through the 8th grade, applications for free or reduced-price meals can be found at the school's office or cafeteria.

### Enrollment

To enroll students:

- Must have proof of immunizations before classes begin.
- Parents entering their children in a District School for the first time must have identification, child's Social Security number, and two forms of proof of address. Evidence of the child's identity can be the original birth certificate or passport. Identification must be original – no copies are accepted. The required proof of address can be a recent utility bill, rent receipt, residence lease, or sales contract. Telephone bills, cable bills, and driver's licenses are not accepted as proof of address.
- All students who are transferring from another school district require transcripts or report cards from the previous school.

## Immunizations

Nevada law requires that children in kindergarten through grade 12 are current with their immunizations before they are allowed to enter school. Parents/guardians are to bring immunization records with them to school when they register their child.

A child will not be allowed to attend school without documentation of immunizations. Exceptions are permitted for "religious objections," which require a letter from the parent or guardian stating the religious objection or a medical condition requiring a letter from a health care provider.

For the new school year, students must be up to date with all required immunizations. Students entering 7th grade must also have the recently-mandated Tdap vaccine, which protects against tetanus, diphtheria, pertussis, or whooping cough.

Students new to Nevada must have immunizations for hepatitis A and B and varicella (chickenpox). If a child has had chickenpox, the parent or guardian must sign a "Verification of Disease" form available at each school. A second dose of MMR is required for all kindergarten and first-grade students.

*Contact the Clark County Health District at 383-1351 for more information.*

## High School Graduate Requirements

To graduate from the CCSD, students must complete their required course work and pass the Nevada High School Proficiency Exams in reading, writing, and math. Students who enter ninth grade must earn 22 ½ credits. A CCSD high school counselor will be able to provide full details.

## Magnet Programs

Clark County School District offers a variety of magnet programs for elementary and secondary levels of education. Magnet programs offer students the unique opportunity to receive a more regimented and focused plan of study depending on the student's interest.

Areas of emphasis include math, science, fine and performing arts, technology, tourism and travel, aerospace and aviation, medical, and law and leadership. Admission requirements vary depending upon the program and level of education. Below is a list of schools that offer such programs.

Visit <http://magnet.ccsd.net> for more information.
