In order to help protect public health, safety and welfare in adherence to CDC, and NYS guidelines and mandates on Social Distancing the following areas/amenities will remain closed: Recreation Office; Basketball Courts; Water Fountains and Pavilion.

Let us keep one another healthy and safe by following these social distancing requirements.

- At least six feet of social distancing must be maintained between people

- Gatherings of more than fifty people are prohibited

Please be advised that enforcement efforts will be in place and you are encouraged to adhere to all posted rules and regulations and understand that any violation of rules will be dealt with swiftly and may require the Park to be closed.

Thank you for your cooperation, be well, stay safe, enjoy.
