## **The fun doesn't just end with science! We are offering amazing virtual art enrichment programs this winter.**

### Crayola Imagine Arts Academy: World of Design Part 2

Whether you were with us or not for World of Design part 1, you can still join us for the next set of amazing art projects and study amazing design techniques! Take a journey to the farthest reaches of imagination. We'll create movie posters, map out future cities, develop a base camp on Mars and much more. Spend the winter experimenting with Crayola® products and many art techniques like sculpting, collage, and mixed media. Discover different design careers, and use the design thinking process to solve real-world problems.
