REPORTS & DISCUSSION

Chair's Report

Angle Fly Preserve

The sheet rocking of the interior of the Reynolds House is almost complete, but it still needs to be taped. Nothing has been done in quite a while.

The Building Inspector would like architect plans for the front and back porches of the Reynolds House before they are built. Mr. Barnhart has reached out to the architect he uses.

Mrs. VanWart and her husband have picked and piled up some shingles that had fallen off the overhang of the yellow barn.

There is still a lot of use of the Preserve, and some have been snowshoeing.

Angle Fly Preserve Conservation Easement Modification Update – A copy of a letter written to the Attorney General on October 6, 2021 by Supervisor

Morrissey requesting review and approval of the 11-acre land swap was shared. Mrs. Schirmer will follow up with the Supervisor for an update.

Tree Board – Mr. Barnhart reported that he was informed that the Tree City designation has to be renewed and there are evidently a couple things pending before that can be done. He will follow up.

The meeting was adjourned at 5:30 p.m. The next meeting will be on Thursday, February 17th at 4:30 p.m.
