PUBLIC HEARING NOTICE

PLEASE TAKE NOTICE that the Town of Somers will conduct a public hearing on February 9, 2023 at 7:00 p.m. at the Town House, 335 Route 202, Somers, New York on a proposed Local Law to amend Chapter 154 entitled Taxation, Article II entitled Senior Citizens Tax Exemption, of the CODE of the Town of Somers.

All persons having an interest in the proposed local law are invited to attend the public hearing and will be afforded an opportunity to be heard. A copy of the proposed local law will be available and may be examined in the Office of the Town Clerk during regular business hours.

By Order of the Town Board
of the Town of Somers

Patricia Kalba
Town Clerk

Dated: January 26, 2023

TOWN OF SOMERS

A LOCAL LAW to amend the Code of the Town of Somers by amending Chapter 154 entitled Taxation;

BE IT ENACTED by the Town Board of the Town of Somers as follows:

1. Article II of Chapter 154 entitled Senior Citizens Tax Exemption is hereby amended in its entirety to read as follows:

2. Title Article II is hereby re-titled Senior Citizens and Disabled Citizens Tax exemption.

3. § 154-3. Purpose.

Pursuant to the provisions of Sections 459-c, 467 and 467-d of the Real Property Tax Law, the purpose of this article is to grant senior citizens (those who are 65 years of age or over) and disabled citizens a partial exemption from taxation up to 50% of the assessed valuation of real property subject to the limiting income standards set forth in said law in order to qualify for the tax exemptions specified herein.

4. § 154-5 Exemption Granted.

Real property owned by persons 65 years of age or over and disabled persons shall be exempt from certain Town taxes up to a maximum of 50% of the assessed valuation, pursuant to the provisions of Real Property Tax Law § 459-c and 467, Subdivision 1(b), as amended, in accordance with Schedule A attached hereto.

5. § 154-6. Maximum income limit.

The income of the owner or the combined income of the owners of the property for the income tax year immediately preceding the date of making application for exemption from all sources, as set forth in §§ 459-c, 467 and 467-d of the Real Property Tax Law, must not exceed the maximum income exemption eligibility level for the granting of partial exemption from real property taxation as provided herein. Provided that for the purposes of this Chapter income shall not include veterans disability compensation as defined in Title 38 of the United States Code. "Income tax year" shall mean the twelve-month period for which the owner or owners file a federal personal income tax return or, if no such return is filed, the calendar year. When title is vested in either the husband or wife, the combined income of both may not exceed such sum.

6. § 154-7. Extensions to file.

The provisions of New York State Real Property Tax Law (RPTL) §§ 459-c, 467-5A, 467-8 and 467-8-a, each providing for the extension of filing dates under certain conditions, are hereby adopted.

7. § 154-8. When effective.

This article shall become effective immediately upon filing of the same with the Secretary of State of New York.

Schedule A

For the period commencing July 1, 2022:

<u>Annual Income</u>	<u>Percentage of Assessed Value Exempt from Taxation</u>
\$0 to \$50,000.00	50%
\$50,000.01 to \$50,999.99	45%
\$51,000.00 to \$51,999.99	40%
\$52,000.00 to \$52,999.99	35%
\$53,000.00 to \$53,899.99	30%
\$53,900.00 to \$54,799.99	25%
\$54,800.00 to \$55,699.99	20%
\$55,700.00 to \$56,599.99	15%
\$56,600.00 to \$57,499.99	10%
\$57,500.00 to \$58,399.99	5%

Re: 4 Lovell Street

Dear Supervisor Scorrano and Members of the Town Board:

This office represents Lincolndale Hill, LLC, the owner of the vacant property located at 4 Lovell Street (the "Property") together with the adjacent commercial property located at 155 Route 202 at the corner of Mill Street (Rt. 202) and Lovell Street (the "Commercial Property"). The Commercial Property is located in the NS Zoning District and is improved with a strip shopping center and parking. The Property is located in the R-40 residential district and contains approximately 1.19 acres. The NS District extends down Lovell Street from the Property and there are a number of commercial properties. Immediately adjacent to the Commercial Property is a non-conforming multi-family residential property located in the R-40 District. Provided herewith is an area map showing the uses in the area.

Our client is proposing to develop the Property with a small multi-family development with ten (10) units as shown on the plan attached hereto. The new units will be located in two (2) buildings adjacent to the Commercial Property, utilizing the existing access and providing shared parking on the Commercial Property to minimize disturbance to the Property. This design also allows for a substantial buffer from the proposed buildings to the new development which will remain undisturbed with existing vegetation to remain. Our client has also designed the plan to satisfy the requirements for the R-40 District as to setbacks, building coverage and height. By utilizing these standards, and avoiding the need for a new driveway and parking on the Property, there will be far less site disturbance than is a single family home meeting the requirements of the R-40 District were built on the Property.

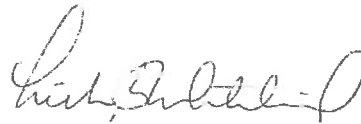

Our client has also worked with the architect to develop design concepts for a traditional design which will be in keeping with the single family residential character in the area. In addition, the siting of the building on the Property is such that it will be only minimally visible from Lovell Street or any adjacent properties other than the Commercial Property.

We believe that this proposal and improvements our client is undertaking at the Commercial Property could begin a revitalization of this intersection and area of the Town and provide benefits to the Town without any negative impact.

Since the Property is in an R-40 Zoning District which does not permit multi-family uses a zoning amendment would be required. We would like the opportunity to present this concept to you at your February 9, 2023. If the Board is interested in moving the proposal forward we will work with your Planner on a proposed Zoning Amendment and return to you with a formal Petition for the Zoning Amendment to begin the formal review of the project.

Thank you for your consideration of this matter.

Very truly yours,

MEMO TO: Town Board

FROM: Bureau of Fire Prevention

RE: Knox Box Requirement

DATE: January 19, 2023

At our monthly meeting on December 21, 2022, a lengthy conversation took place about the need for Knox Boxes at all commercial properties.

When the Somers Volunteer Fire Department responds to a call at a commercial property after hours, if the owner of the property or representative of those who lease the property is not present, often the Fire Department has no other choice but to engage in forced entry to access the inside of the building. In a situation such as this, the damage resulting in doing so can end up being a costly repair.

If the installation of a Knox Box is required, the keys for the building would be housed inside the Knox Box, allowing for the Fire Department to unlock the box and get the keys needed. Not only would this give the responders quicker access to the building, but less need for damage to the building.

We hope that you will agree with our thought process and add this as a local law to Chapter 98 of the Code of the Town of Somers.

Westchester County Solid Waste Commission CERTIFICATE OF LICENSE

COPY

~~For Posting in accordance with Section 826-a.303(5) of the Laws of Westchester County~~

This LICENSE, issued to 307 White Street Danbury, CT 06618 (hereinafter the "Licensee") having an office and principal place of business at _____ the Licensee to operate in the County of Westchester as a Class A hauler for the term commencing on December 7, 2022 and terminating on December 7, 2024 unless terminated sooner in accordance with the provisions of Chapter 826-a of the Laws of Westchester County.

The Licensee is hereby authorized to operate only those vehicles which have been authorized by the Westchester County Solid Waste Commission in connection with the referenced license, and may not substitute the use of any other vehicle in connection with the licensed activities without the advance written approval of the Executive Director of the Westchester County Solid Waste Commission.

The Licensee has also been ^{N/A} authorized by the County of Westchester to operate the following named transfer station(s): _____

The Licensee has read and is familiar with the provisions of Chapter 826-a of the Laws of Westchester County, and hereby agrees that it, its officers and employees shall abide by the standards and procedures specified thereunder for the duration of the license term and any renewal thereof.

The Licensee hereby acknowledges and agrees, as a condition of this license, that it shall comply, at its own expense, with all applicable federal, state and local laws, rules, regulations and ordinances which may be applicable to the Licensee in connection with its performance of the activities for which it has been issued a license here under, and, in particular those antitrust or other laws relating to the restraint of trade.

Conditions which may be imposed upon the Licensee's authority to operate in Westchester County, if any, are set forth in Part "A" of this License Certificate.

This license is issued by the County of Westchester solely in accordance with the stated purposes of Chapter 826-a of the Laws of Westchester County, which are to reduce corruption in the solid waste hauling industry and to ensure accurate reporting of waste hauling activities in accordance with the Westchester County Solid Waste Management Plan, and is in no way intended to operate to ensure the safety or capacity of the vehicles, equipment, and/or employees operated and/or utilized by the Licensee in connection with the operation of this license. The Licensee hereby acknowledges and agrees that it shall hold harmless the County of Westchester for any and all claims for damage to property and/or persons which the Licensee may cause in connection with the operation of this license for the duration of the term of this license.

Re: Chapter 109 Garbage, Rubbish and Refuse

Good afternoon Patricia,

We have received a copy of Chapter 109.

It has been reviewed by our Operation Managers and we will comply and abide by the provisions stated.

Thank you,

A handwritten signature in black ink, appearing to read "Debra Macek".

Debra Macek
Office Assistant

December 14, 2022

Contingency Plan

Oak Ridge Hauling has permitted spare vehicles for use in case of any breakdowns, or equipment issues.

We have CDL licensed managers, that can fill in if there is a driver or laborer shortage.

Thank you,

A handwritten signature in black ink that reads "Debra Macek". The signature is fluid and cursive, with a long horizontal stroke at the end.

Baseline Documentation Report:

"Angle Fly Preserve"

Date of Report: October 31, 2022

Date of Site Visit: September 21, 2022: SBL 27.16-2-4, 27.20-2-1, 27.20-2-2, 27.20-2-4, 38.05-1-1, and 27.15-1-4,5,7,8

Date of Site Visit: September 27, 2022: SBL 27.20-1-1, 37.07-1-1, 37.08-1-1 and 37.11-1-5

The lands of the Angle Fly Preserve were sold to the Town of Somers and County of Westchester on May 15, 2006. At the closing, an easement was purchased by The State of New York. The 335.698 ± acre property is visible from Plum Brook Road, Primrose Street (Route 139), Somerstown Road (Route 100), and Colonial Drive. There are remains from an old residential dwelling situated on SBL 37.07-1-1; however, the buildings are in a state of disrepair. The easement protects the aesthetic and natural aspects of the property. Public access is under the jurisdiction of the owners but is not limited to the Town of Somers residences. There are existing trails located throughout the property.

A. Vital Property Statistics

- 1) Property Name: Angle Fly Preserve
- 2) Property Location: Plum Brook Road, Primrose Street (Route 139), Somerstown Road (Route 100), and Colonial Drive, Town of Somers, Westchester County.
- 3) Easement Grantor: Town of Somers and County of Westchester.
- 4) Grantor Contact Information: County of Westchester, 25 Moore Avenue, Mount Kisco, New York 10549 and Town of Somers, 335 Route 202, Somers, New York 10589.
- 5) Geographic, ecological, scenic, and historic

Geographic: 335.698 acres. The property is located along the west and east sides of Primrose Street, with a small outlining area accessed from Colonial Drive.

Ecological: The property is generally a mix of dense deciduous forest, and wooded areas of variable density that include hiking trails. The Angle Fly Brook is a "V" shaped waterway located along the southern and western portion of lots 37.07-1-1, 37.08-1-1 and 37.11-1-5 and crosses over the eastern section and runs along lots 27.20-2-1, 27.20-2-2, 27.20-2-4, and 27.16-2-4. These areas along the Angle Fly Brook contains state regulated wetlands and wetland check zones.

Scenic: The Angle Fly Preserve offers hiking, cross-county skiing, snow shoeing, bird watching and nature study, where it establishes an "Open Space Recreational Area". The

preserve provides natural habitat for numerous bird species, the wood turtle and brook trout. The property has a variety of lichens and mosses. The natural resource value, also include water quality in the Croton Watershed and the New York City drinking water supply.

Historic: There are building remains on sbl 37.07-1-1, which are known as the Tatham House. The building was built between 1908 and 1916.

- 2) Purpose of Conservation Easement:
- a) Conserve natural resource values, by ensuring that the property is held in a relatively undeveloped state to protect its natural resource values. To establish two recreational, use areas, an "Open Space Recreations Area" and an "Athletic Field Area" to provide two levels of public recreation on the Protected Property. Maintain and manage the Protected Property forever as parkland in its natural, scenic, forested, and open space condition.
- 3) Specific Restrictions:
- A) Prohibit residential, commercial, industrial, and agricultural uses that are inconsistent or incompatible with the above-stated purposes, except for limited development and forest management activities allowed herein.
- B) Grantors shall not subdivide the protected property.
- C) Constructing residences, mobile homes, or other residential structures on the protected property.
- D) Constructing any structures on the Protected Property, except those allowed in Sections 7.2 through 7.6 of conservation easement, which indicated in accordance with a Recreation Management Plan, Grantors may allow public recreational use of the Athletic Field Area, and may construct, use, repair, maintain, and improve all manner of improvements appropriate for providing public recreation within the Athletic Field Area such as: ball fields; fields houses; community centers and related buildings; skating areas, parking lots, and utilities, all in accordance with the Purposes of the Easement and common law or statutory limitations of the use of parklands.
- E) Constructing or maintaining improvements and structures associated with the Athletic Field Area on any portion of the protected property described in Schedule A and shown on Map #11934 as Open Space Recreation Area.
- F) Charging a fee for entry on or use of the Open Space Recreation Area by a member of the public.
- G) Dumping or storing ashes, non-composted organic waste, sewage or garbage, scrap material, discharges, or other such waste, except organic logging debris within the Open Space Area.
- H) Dumping or storing petroleum and its byproducts, leached compounds, toxic substances, hazardous materials; except that Grantors may store in approved containers and tanks, heating oil and other fuels as needed to enjoy Grantors' Reserved Rights.
- I) The Protected Property shall not be used in any way that adversely affects drainage, flood control, water conservation, fish or wildlife habitat preservation, erosion control, or soil conservation. No construction of dams or

impoundments, manipulation of water levels, in streams, rivers or wetlands, or alterations of natural water courses shall be undertaken by the Grantors on the property, unless such actions are necessary for Grantor's Reserved Rights; or are necessary to satisfy stormwater management obligations of the Town as an MS4 under the SPDES general permit of stormwater discharges and have received prior written approval by Grantee.

RE: Generator at Heritage Hills – Propane Tanks

DATE: February 6, 2023

At their November 17, 2021 monthly meeting, the Zoning Board of Appeals granted a variance to the Heritage Hills Society for two additional, for a total of four 1,000-gallon propane tanks to be placed underground at the Heritage Hills Activity Center to accommodate a new generator.

<u>Cost Per Propane Tank</u>		<u>Connection Materials & Labor</u>	<u>Total</u>
Halstead Quinn	\$3,100	\$7,340	\$19,740
Paraco	\$5,083	\$2,760	\$23,092
Suburban	\$4,900	\$6,000	\$25,600

It is recommended that the propane tanks be purchased from Halstead Quinn, as well as having them supply and install the gas lines to connect the generator to the propane tanks and attach the anode bags. You will see that the price of connection materials and labor varies significantly. This is due to the different materials specified. I am still recommending Halstead Quinn for this portion of this project because they are using preferred materials. The Town will purchase three propane tanks and Heritage Hills Society one. Additionally, they are available immediately. The Highway Department will be doing the excavation work and setting the tanks.

In addition, Nicholas Domain will provide the sand and gravel needed for the Highway Department to do the excavation work and setting the tanks. The total cost is \$2,309.20.

Subject: Request for NoParking/Standing on Wilner Rd

Hello Supervisor Scorrano,

I live on David Rd and use Wilner Rd at least four times a day. I've been meaning to get the following situation addressed as I think it is dangerous.

Traveling down Wilner, I believe parking and standing should not be allowed at the second curve. Often, landscaping vehicles park in this area and others have to swing around them into the path of vehicles driving up Wilner. I am surprised an accident hasn't happened up to now.

Please see the photos for a better view and thanks for looking into.

This office recommends reviewing in spring/summer when landscape vehicle is parked there. The road curve does limit some sight distance and perhaps a alternate location for parking could be discussed with the landscape contractor.

Good morning Patty
In Jan.9th 2023 at 9am I visited the location.
The roadway is very wide enough that should someone be legally parked in this area another car can pass without going into the oncoming lanes.
I spoke with Nick about the area and he concurred.

Good morning Patty

In Jan.9th 2023 at 9am I visited the location.

The roadway is very wide enough that should someone be legally parked in this area another car can pass without going into the oncoming lanes.

I spoke with Nick about the area and he concurred.

Subject: permit fee schedule changes

Pursuant to our discussion, please remove the hardship fee portion of the proposed changes. If the Board moves on this proposal this Thursday, I ask that it include an effective date of April 1, 2023. Additionally, it is planned to affect permits issued after it's effective date while permits issued prior to it's effective date will be subject to the fees at the time of permit issuance. Please run this by counsel to ensure there are no issues with this process.

RE: Building Department Fees

DATE: January 20, 2023

This is a proposed fee schedule adjusting existing fees and adding new fees. I am presenting this proposal for your consideration. Plumbing permits will no longer exist. Instead they will all be considered building permits with the reflected fees in this proposal. Upon your review and if approved, an adjusted fee schedule will need to be completed in addition to our software program and forms updated.

PROPOSED NEW ADDITIONS TO CURRENT FEE SCHEDULE

Electrical Permit Fees

*Electrical permits will only be issued for stand-alone electrical projects i.e.: Upgrades to systems, car charger installations, and any other project that does not already have a building permit in conjunction with the work being done will have an electrical permit fee. All other projects i.e.: alterations that include electrical will have an electrical permit with no fee (fee is included in building permit fee)

Note: Closes with a compliance (no fee)

Chapter 74. Building Construction

Article I. Building Code Administration

§ 74-11. Firesafety and property maintenance inspections.

- A. Inspections required. Firesafety and property maintenance inspections of buildings and structures shall be performed by the Code Enforcement Officer or an inspector designated by the Code Enforcement Officer at the following intervals:
- (1) Firesafety and property maintenance inspections of buildings or structures which contain an area of public assembly shall be performed at least once every 12 months.
 - (2) Firesafety and property maintenance inspections of buildings or structures being occupied as dormitories shall be performed at least once every 12 months.
 - (3) Firesafety and property maintenance inspections of all multiple dwellings not included in Subsection A(1) or (2), and all nonresidential buildings, structures, uses and occupancies not included in Subsection A(1) or (2) shall be performed at least once every 36 months.
- B. Inspections permitted. In addition to the inspections required by Subsection A of this section, a firesafety and property maintenance inspection of any building, structure, use, or occupancy, or of any dwelling unit, may also be performed by the Code Enforcement Officer or an inspector designated by the Code Enforcement Officer at any time upon: the request of the owner of the property to be inspected or an authorized agent of such owner; receipt by the Code Enforcement Officer of a written statement alleging that conditions or activities failing to comply with the Uniform Code or Energy Code exist; or receipt by the Code Enforcement Officer of any other information, reasonably believed by the Code Enforcement Officer to be reliable, giving rise to reasonable cause to believe that conditions or activities failing to comply with the Uniform Code or Energy Code exist; provided, however, that nothing in this subsection shall be construed as permitting an inspection under any circumstances under which a court order or warrant permitting such inspection is required, unless such court order or warrant shall have been obtained.
- C. OFPC inspections. Nothing in this section or in any other provision of this article shall supersede, limit or impair the powers, duties and responsibilities of the New York State Office of Fire Prevention and Control ("OFPC") and the New York State Fire Administrator under Executive Law § 156-e and Education Law § 807-b. Notwithstanding any other provision of this section to the contrary:
- (1) The Code Enforcement Officer shall not perform firesafety and property maintenance inspections of a building or structure which contains an area of public assembly if OFPC performs firesafety and property maintenance inspections of such building or structure at least once every 12 months;
 - (2) The Code Enforcement Officer shall not perform firesafety and property maintenance inspections of a building or structure occupied as a dormitory if OFPC performs firesafety and property maintenance inspections of such building or structure at least once every 12 months;
 - (3) The Code Enforcement Officer shall not perform firesafety and property maintenance inspections of a multiple dwelling not included in Subsection A(1) or (2) of this section if OFPC

performs firesafety and property maintenance inspections of such multiple dwelling at intervals not exceeding the interval specified in Subsection **A(3)** of this section; and

- (4) The Code Enforcement Officer shall not perform firesafety and property maintenance inspections of a nonresidential building, structure, use or occupancy not included in Subsection **A(1)** or **(2)** of this section if OFPC performs firesafety and property maintenance inspections of such nonresidential building, structure, use or occupancy at intervals not exceeding the interval specified in Subsection **A(3)** of this section.
- D. Fee. The fee specified in or determined in accordance with the provisions set forth in § **74-16, Fees**, of this article must be paid prior to or at the time of each inspection performed pursuant to this section. This subsection shall not apply to inspections performed by OFPC.

E. Garages.

[Added 10-13-2016 by L.L. No. 4-2016]

- (1) Opening protection. Openings from a private garage directly into a room used for sleeping purposes shall not be permitted. Other openings between the garage and residence shall be equipped with 3/4-hour fire-protection-rated assemblies equipped with self-closing devices.
- (a) Duct penetration. Ducts in the garage and ducts penetrating the walls or ceilings separating the dwelling from the garage shall be constructed of a minimum No. 26 gage (0.48 mm) sheet steel or other approved material and shall have no openings into the garage.
- (b) Other penetrations. Penetrations through the separation required in Subsection **E(2)(b)** shall be protected by filling the opening around the penetrating item with approved material to resist the free passage of flame and products of combustion.
- (2) Separation required. The garage shall be separated from the residence and its attic area by horizontal or vertical separations conforming to Subsection **E(2)(a)** and **(b)**.
- (a) Vertical separations. Where partitions are used to separate an attached garage from a living space or its attic, the partition assembly shall have a 3/4-hour fire-resistance rating. Exception: In lieu of providing partitions that have a 3/4-hour fire-resistance rating, one layer of 5/8-inch thick type-X gypsum board may be installed on the garage side and one layer of 1/2-inch type X gypsum board may be installed on the opposite side. Application shall be in accordance with Section R702.3 of the International Residential Code (2015) (hereinafter the "Residential Code").
- (b) Horizontal separations. Where horizontal construction is used to separate the garage from the living space or its attic, such construction shall be protected with one layer of 5/8-inch thick type X gypsum board, installed in accordance with the requirements of Section R805.1 of the Residential Code. Openings in horizontal separations shall not be permitted except where the residence is otherwise protected by vertical separations. Where the horizontal separation is a floor-ceiling assembly, the structure supporting the separation shall also be protected by not less than 5/8-inch (15.87 mm) type X gypsum board or equivalent.
- (3) Floors. Garage floor surfaces shall be of approved noncombustible material. The area of floor used for parking of automobiles or other vehicles shall be sloped to facilitate the movement of liquids to a drain or toward the main vehicle entry doorway.
- (4) Carports. Carports shall be open on not less than two sides. Carport floor surfaces shall be of approved noncombustible material. Carports not open on two or more sides shall be considered to be a garage and shall comply with the provisions of this section for garages. Exception: Asphalt surfaces shall be permitted at ground level in carports. The area of floor used for parking of automobiles or other vehicles shall be sloped to facilitate the movement of liquids to a drain or toward the main vehicle entry doorway.

- (5) Flood hazard areas. For building located in flood hazard areas as established by Table R301.2(1) of the Residential Code, garage floors shall be:
 - (a) Elevated to or above the design flood elevation as determined in accordance with Section R322 of the Residential Code; or
 - (b) Located below the design flood elevation provided that the floors are at or above grade on not less than one side, are used solely for parking, building access or storage, meet the requirements of Section R322 and are otherwise constructed in accordance with this Code.
- (6) Automatic garage door openers. Automatic garage door openers, if provided, shall be listed and labeled in accordance with UL 325.
- (7) Fire sprinklers. Private garages shall be protected by fire sprinklers where the garage wall has been designed based on Table R302.1(2) of the Residential Code, Footnote a. Sprinklers in garages shall be connected to an automatic sprinkler system that complies with Section P2904 of the Residential Code. Garage sprinklers shall be residential sprinklers or quick-response sprinklers, designed to provide a density of 0.05 gpm/ft². Garage doors shall not be considered obstructions with respect to sprinkler placement.

Chapter 74. Building Construction

Article I. Building Code Administration

§ 74-10. Operating permits.

A. Operating permits required.

- (1) Operating permits shall be required for conducting the activities or using the categories of buildings listed below:
 - (a) Manufacturing, storing or handling hazardous materials in quantities exceeding those listed in Table 2703.1.1(1), 2703.1.1(2), 2703.1.1(3) or 2703.1.1(4) in the publication entitled "Fire Code of New York State" and incorporated by reference in 19 NYCRR 1225.1;
 - (b) Hazardous processes and activities, including but not limited to commercial and industrial operations which produce combustible dust as a byproduct, fruit and crop ripening, and waste handling;
 - (c) Use of pyrotechnic devices in assembly occupancies;
 - (d) Buildings containing one or more areas of public assembly with an occupant load of 100 persons or more; and
 - (e) Buildings whose use or occupancy classification may pose a substantial potential hazard to public safety, as determined by resolution adopted by the Town Board of this Town.
- (2) Any person who proposes to undertake any activity or to operate any type of building listed in this Subsection A shall be required to obtain an operating permit prior to commencing such activity or operation.

- B. Applications for operating permits. An application for an operating permit shall be in writing on a form provided by or otherwise acceptable to the Code Enforcement Officer. Such application shall include such information as the Code Enforcement Officer deems sufficient to permit a determination by the Code Enforcement Officer that quantities, materials, and activities conform to the requirements of the Uniform Code. If the Code Enforcement Officer determines that tests or reports are necessary to verify conformance, such tests or reports shall be performed or provided by such person or persons as may be designated by or otherwise acceptable to the Code Enforcement Officer, at the expense of the applicant.
- C. Inspections. The Code Enforcement Officer or an inspector authorized by the Code Enforcement Officer shall inspect the subject premises prior to the issuance of an operating permit.
- D. Multiple activities. In any circumstance in which more than one activity listed in Subsection A of this section is to be conducted at a location, the Code Enforcement Officer may require a separate operating permit for each such activity, or the Code Enforcement Officer may, in his or her discretion, issue a single operating permit to apply to all such activities.

- E. Duration of operating permits. Operating permits shall be issued for such period of time, not to exceed one year in the case of any operating permit issued for an area of public assembly and not to exceed three years in any other case, as shall be determined by the Code Enforcement Officer to be consistent with local conditions. The effective period of each operating permit shall be specified in the operating permit. An operating permit may be reissued or renewed upon application to the Code Enforcement Officer, payment of the applicable fee, and approval of such application by the Code Enforcement Officer.
- F. Revocation or suspension of operating permits. If the Code Enforcement Officer determines that any activity or building for which an operating permit was issued does not comply with any applicable provision of the Uniform Code, such operating permit shall be revoked or suspended.
- G. Fee. The fee specified in or determined in accordance with the provisions set forth in § 74-16, Fees, of this article must be paid at the time of submission of an application for an operating permit, for an amended operating permit, or for reissue or renewal of an operating permit.

Chapter 74. Building Construction

Article I. Building Code Administration

§ 74-16. Fees.

A fee schedule shall be established by local law of the Town Board of this Town. Such fee schedule may thereafter be amended from time to time. The fees set forth in, or determined in accordance with, such fee schedule or amended fee schedule shall be charged and collected for the submission of applications, the issuance of building permits, amended building permits, renewed building permits, certificates of occupancy/certificates of compliance, temporary certificates, operating permits, firesafety and property maintenance inspections, and other actions of the Code Enforcement Officer described in or contemplated by this article.
