Re: Price Change Notice – NYS Transmission Charge

Dear Customer Name,

As the supplier to the [MUNICIPALITY] community electricity program, Constellation NewEnergy, Inc. ("Constellation") is writing to inform you of an increase to the electric supply price due to a transmission charge being assessed to all electricity suppliers in the state of New York. This price increase is 0.149¢/kWh and will take effect beginning with your June 2023 utility meter read dates and remain in effect until the end of the current [MUNICIPALITY] Electric Service Agreement ("ESA") on your December 2023 utility meter read dates.

With this price increase, the updated retail prices beginning with your June 2023 utility meter read dates are as follows:

Bedford Westchester Power Rates, ¢/kWh			
Electric Supply Option	**Current rate**	**NY Public Policy Transmission Charge**	**Adjusted Price per kWh effective 6/2023**
100% Renewable Clean Power Product	10.179	0.149	10.328
Standard Product (No Additional Renewable Energy)	8.736	0.149	8.885

We value our relationship with consumers participating in the program and are sensitive to the effect these changes will have on our customers. If you have any questions concerning this change, please call your representative, or Constellation Customer Care at 888-437-1722.

Sincerely,

Amanda Stewart
VP Retail Operations, Constellation
