

TLT LEAGUE

TACTICAL LASER TAG LEAGUE

PRESENTED BY

SOMERS PARKS AND RECREATION

Forget what you think you know about laser tag...TRADITIONAL laser tag is a 40 year old game played indoors, in the dark, with a bunch of 6 year old kids at a birthday party facility that smells like old socks.

TACTICAL LASER TAG is a fast paced combat game that puts your teamwork to the test! TLT has all the advantages of a game like paintball or airsoft, but with no projectiles. Our equipment is so advanced, they are able to shoot 600ft on a sunny day! Multiple mission types will challenge even the most seasoned gamers!

Teams will consist of 4 players. TLT will operate in a JV/Varsity combination. 3 JV (5-8th grade) players per team and 1 Varsity (9-12th grade) player as Captain. Captains will compete in a draft to acquire the teams that they want to lead through the season. (single players will be randomly placed on teams)

ONLY 24 JV POSITIONS / 8 VARSITY AVAILABLE

The league is operated by First Person Sports
