SERVICES AND PRODUCTS

Full-risk Medicaid managed care services

AmeriHealth Caritas has a variety of programs and capabilities to meet the medical and social needs of underserved populations. Current capabilities include management and administrative services necessary to operate a state-of-the-art Medicaid managed care organization.

Dual eligible products

AmeriHealth Caritas offers specialized Medicare Advantage dual eligible special needs plans (D-SNPs) and Medicare-Medicaid plans (MMPs). Our approach integrates proven, established care management, preventive services, and other programs that effectively coordinate care for aged, blind, and disabled individuals.

Behavioral health services

Founded in 1995, PerformCare is a national behavioral health managed care organization that helps health plans and customers provide comprehensive behavioral health management strategies and solutions to optimize clinical outcomes, maximize efficiency, and integrate services.
