

ACADIAN AMBULANCE

Our nationally accredited and employee-owned company is committed to helping you and your staff in any way we can. Regardless of the need or the situation, Acadian is here to help.

CONTROLLING COSTS

Our robust program for controlling hospital costs includes ongoing education about CMS medical necessity guidelines, an aggressive approach for obtaining all necessary authorizations prior to transport and a commitment to providing the right resource to the right patient.

THROUGH-PUT

We understand through-put goals, and we've worked with the largest hospital systems in Texas to help achieve them. With innovative programs such as on-site transport coordinators, we can help you reach your goals, too.

COMPLIANCE

In recent years, a new emphasis has been placed on CMS compliance regarding hospitals and their EMS partners. Our compliance process is the best in the industry.

DISASTER PREPAREDNESS

Recognized nationally for our efforts in disaster response, Acadian is a strong and valuable partner when times get tough.

CLINICAL SOPHISTICATION

Acadian has dedicated the resources, including a fulltime team of medical directors, to ensure that patients and customers always receive industry-leading clinical care.
