Better Health. Better Lives.

Substance Use Disorder & Behavioral Health Treatment

FULL CONTINUUM OF CARE

DETOXIFICATION

Cenikor's medically-supported detoxification services help stabilize clients going through the active withdrawal symptoms associated with substance use disorders. Professional assistance is especially important in this critical period on the path to long-term recovery and a happy healthy life.

SHORT-TERM

Cenikor's short-term inpatient program provides non-emergency care and treatment for people with substance use disorders and related behavioral health disorders. Comprehensive, individualized treatment plans include assessment, screening, individual and group counseling, life skills training and education for family members.

LONG-TERM

Cenikor's long-term inpatient program is designed for people who are physically ready, mentally capable and willing to participate in all aspects of the recovery program, including education and workforce development. Our therapeutic community (TC) model uses peer influence and clinical counseling to help clients change the attitudes, behaviors and perceptions associate with substance use disorders.

OUTPATIENT

Cenikor's evidence-based outpatient programs provide substance use disorder and behavioral health recovery services to adults on an individual, group and/or family basis. Licensed clinical staff provide comprehensive services, including screening, assessment, early intervention, recovery after-care services and more.

CENIKOR IS A 501(C)(3) NON-PROFIT ORGANIZATION, PROUDLY SERVING MORE THAN 1,000 CLIENTS PER WEEK TO ACHIEVE BETTER HEALTH AND BETTER LIVES.

Cenikor has extensive experience in providing support to treat the client as a whole. We help our clients deal with substance use disorders and behavioral health issues, along with family support, education and career services.

Since 1967, Cenikor has proven to be one of the most successful substance use disorder treatment centers offering high-quality, affordable services to clients and communities throughout Texas.
