

# PAYMENTS & COMMUNICATIONS

Optimize payments and deliver clearer communications with Zelis

## Payment Optimization

Drive cost savings, flexibility and accuracy with Zelis Payer Paid ACH

- Offset printing costs with increased revenue share
- Reduce costs associated with processing payments
- Improve provider satisfaction by offering multiple funding models
- Increase electronic adoption with continuous channel updates

## Communications

Enhance messaging with concise, easy-to-understand communications

- Consolidate excessive mailings with Episodic EOBs®
- Promote electronic adoption with email campaigns
- Customize designs and messaging via a self-service web portal, DOCs®
- Reduce member confusion by simplifying and explaining how much they owe

## An End-to-End Solution

Zelis optimizes provider payments and clearly explains healthcare communications with one end-to-end claim management solution

- Seamlessly integrate with current processes
- Drive incremental savings on postage
- Improve efficiency with electronic delivery
- Streamline operations across your enterprise

**Better Service. Better Performance.**
