

Developing Strategies to Make Healthcare and Human Services Work Better.

Health Management Associates (HMA) is a leading independent national research and consulting firm specializing in publicly funded healthcare. Founded in 1985, today we are over 300 consultants strong and still growing. We help clients stay ahead of the curve by providing technical assistance, resources, decision support and expertise.

Chances are you know us for our Medicaid expertise, but HMA is much more than Medicaid. HMA brings together industry-leading policy expertise and clinical experience to provide comprehensive solutions that make healthcare and human services work better for people.

OUR EXPERTISE INCLUDES:

- » Analytics
- » Behavioral Health
- » Care Integration
- » Clinical Services
- » Community Strategies
- » COVID-19 Resources
- » Government Programs & The Uninsured
- » Healthcare Actuarial Services
- » Healthcare Delivery Development & Redesign
- » Healthcare IT Advisory Services
- » HMA Institute on Addiction
- » Investment Services
- » Justice-Involved Healthcare
- » Long-Term Services & Supports
- » Managed Care
- » Opioid Crisis Response
- » Public Health
- » Quality and Accreditation Services
- » Value-Based Care

Our team has an intimate understanding of the challenges and constraints our clients face, and we work across disciplines and geographical areas to ensure our expertise, our services, and our team are always within client reach.
