

CareBridge is such a blessing from heaven. You don't get calls every day from people that are willing to help like this. I want to thank them from the bottom of my heart.

*~ CareBridge Member*

# CAREBRIDGE

**CareBridge offers states & health plans an integrated suite of benefits management and risk-based services to manage both the LTSS and medical benefits of their most vulnerable populations.**

- ✓ **24/7 Virtual Member Support** connects members with our physician-led interdisciplinary care team by deploying technology to the homes of HCBS members and partnering with provider agencies
- ✓ **Decision Support** is an industry-first HCBS tool that enhances interrater reliability and ensures appropriate levels of support to safely keep members living independently in their homes
- ✓ Our **Integrated Technology Ecosystem** leverages best-in-class EVV and data aggregation capabilities, a robust analytics platform, and a custom-built case management and engagement system
