ABOUT US

WHO ARE WE?

Gateway Playgroup is a community based Playgroup run by Gateway Church Australia. We are members of Playgroup Victoria and cater for families with children who are between 0-5 years of age.

WHAT DO WE PROVIDE?

Gateway Playgroup is committed to meeting the needs of families in our local community. We provide a quality, caring environment where children can participate in a variety of interactive play experiences and parents can find time to socialise with other families in a relaxed and friendly environment. Playgroup provides the opportunity for parents to spend quality time with their children away from the normal home routines and pressures.
