

Experience

Mid-Level User Experience Designer | Designit

Full-time 07/2022 - Present

Works closely with clients, product owners, CX strategists, and engineering to build and iterate on design solutions that strike a balance between user and business needs. Designed and built products that transform the way consumers pay for their purchases and retailers grow their businesses, launching features that generate measurable business impacts across multiple verticals at Bread Financial.

Booz Allen Hamilton

Full-time 09/2019 - 07/2022

Senior Consultant

01/2021 - 07/2022

Consultant

09/2019 - 01/2021

Produced human-centric digital solutions to complex problems. Worked closely and maintained strong communication with other designers, developers, strategists, product owners, and users, to make products more intuitive, and aesthetically pleasing for the user. Supported the successful launch of multiple products (public and internal)

Experience Design Intern | Publicis New York

6/2018 - 8/2018

Worked in the Creative department at Publicis, one of the oldest and largest marketing and communications companies in the world as an Experience Design intern. Contributed research, strategy, design, and prototyping skills in pitches to clients in pharmaceutical, financial, tech, and automotive.
