

**FOR IMMEDIATE RELEASE**

## **Southern Park Mall Chick-fil-A to visit SRMC September 9**

SALEM, OH (August 18, 2022) – The Salem Regional Medical Center (SRMC) Foundation and Southern Park Mall Chick-fil-A restaurant are partnering once again to raise funds in support of the Foundation's Cancer Fund.

On Friday, September 9, the Southern Park Mall Chick-fil-A will make a stop at Salem Regional Medical Center, where lunch items including sandwiches, waffle chips and cookies will be sold from 11 a.m. – 2 p.m. Chick-fil-A food truck will be set-up in Salem Regional Medical Center's front parking lot area directly across from the hospital off of E. State Street.

Drivers can enter the SRMC parking lot from East State Street, East Third Street or Roosevelt Avenue. Ten percent of all proceeds from lunch items sold that day will be given to the SRMC Foundation Cancer Fund to support the world-class cancer care services at SRMC.

"We invite the community to come out and enjoy Chick-fil-A's delicious food, in support of this worthwhile cause," said Amy Reed, SRMC's Foundation, Director of Development.

Chick-fil-A's visit to SRMC will take place rain or shine. Cash, credit and debit payments will be accepted by Southern Park Mall's Chick-fil-A representatives, who will be staffing the event.

The SRMC Foundation is a non-profit 501(c)(3) organization that supports Salem Regional Medical Center's mission to provide the best possible health care in our region for every patient who comes through its doors. One-hundred percent of all proceeds donated to the SRMC Foundation are used locally to support patient care at SRMC.

To learn more about the SRMC Foundation, call or email Reed at 330-337-2883 or [foundation@salemregional.com](mailto:foundation@salemregional.com).
