Get Skin Holiday Ready at SRMC Plastic Surgery's 'Go & Glow' Event in November

Want to get holiday-ready skin in under an hour? On Thursday, November 3, SRMC Plastic Surgery is hosting a special "Go & Glow" Red Carpet Event offering an innovative in-office facial treatment for brightening and revitalizing skin.

Area residents are invited to reserve a 45-minute appointment at SRMC Plastic Surgery for a special stimulator facial peel from internationally-acclaimed ZO® Skin Health. Board Certified Plastic and Reconstructive Surgeon Linda Camp, M.D., FACS, and her trained staff will apply the facial peel to improve skin health and combat the signs of aging in time for the holiday season.

SRMC Plastic Surgery is an affiliated practice of Salem Regional Medical Center.

"Known as the 'Red Carpet Peel,' the ZO® Stimulator Peel is a great option for those who want to experience a glowing and rejuvenated complexion for the holidays, with no downtime," Dr. Camp said. "This treatment uses a unique combination of exfoliating ingredients to reduce the appearance of fine lines and wrinkles, while enhancing the skin's overall tone, texture and clarity."

Limited appointments for the November 3rd event will be offered between 9 a.m. and 5 p.m.

A \$75 reservation is required, which can be used towards the purchase of other ZO® skin care products. Dr. Camp offers the advanced ZO® Skin Health cleansers, exfoliants and treatments locally at SRMC Plastic Surgery to help patients experience continuously healthy skin regardless of their age or unique skin condition. ZO® representatives will also be on hand at the event to answer any special questions.

To learn more or reserve an appointment for the "Go & Glow" Red Carpet Event, call SRMC Plastic Surgery at 330-332-7383. Appointment space is limited.

SRMC Plastic Surgery is located at 2094 East State Street, Suite G, in Salem,
