

Get Skin Holiday Ready at SRMC Plastic Surgery's 'Go & Glow' Event

(SALEM, OHIO) – October 23, 2023 - Want to get holiday-ready skin in just an hour? On Thursday, November 16, SRMC Plastic Surgery is hosting a special “Go & Glow” Red Carpet Event offering in-office facial treatments for brightening and revitalizing skin.

Area residents are invited to reserve appointments at SRMC Plastic Surgery for a 45-minute Stimulator Facial Peel from internationally-acclaimed ZO® Skin Health or a one-hour Hydrafacial® skin rejuvenation treatment with a customized booster serum.

According to Linda Camp, M.D., FACS, board certified plastic and reconstructive surgeon, both the Stimulator Peels and Hydrafacial treatments are great options for those who want to experience a glowing and rejuvenated complexion in time for the holidays, with no downtime.

“Known as the ‘Red Carpet Peel,’ the ZO Stimulator Peel uses a unique combination of exfoliating ingredients to reduce the appearance of fine lines and wrinkles, while enhancing the skin’s overall tone, texture and clarity,” she said.

“Hydrafacial combines the benefits of medical-grade technology to simultaneously cleanse, extract and hydrate skin for an instantly brighter and smoother complexion. This treatment can be customized to address a person’s unique skin conditions and needs.”

Limited appointments for the November 16th event will be offered between 9 a.m. and 5:30 p.m.

A \$75 reservation is required for the ZO Stimulator Peel. A reservation for a Hydrafacial treatment is \$149.

ZO Product Sale

All ZO Skin Health products will also be on sale November 16th at 35% off for “Go and Glow” participants and 30% off for those not participating in the event, but still wanting to enhance their skin’s appearance for the holidays. ZO products available at SRMC Plastic Surgery include a variety of cleansers, exfoliants, specialized treatments and sunscreens to help achieve and maintain optimal skin health.
