

Salem Regional Medical Center Announces Dr. Mark Peckman's Practice Relocation

On Monday, April 8, Dr. Mark Peckman's office is moving from 750 East Park Avenue in Columbiana to the new SRMC Surgery & Outpatient Pavilion at Firestone Farms TownCenter. The Pavilion is located at 400 Town Center Avenue and is just over a mile from Dr. Peckman's current office. Dr. Peckman's practice, the Pain Management Center, will be located on the third floor, within the SRMC Medical Group's physician office suites.

**Dr. Mark
Peckman**

To allow time for the move, Dr. Peckman's office will be temporarily closed April 4–5 and re-open at its new location April 8. Those with appointments on or after April 8 should go to Dr. Peckman's new office in the Surgery & Outpatient Pavilion at Firestone Farms TownCenter at 400 Town Center Avenue.

Dr. Peckman specializes in the evaluation, diagnosis and treatment of adults with acute and chronic pain, ranging from neck and back pain to arthritis and nerve disorders.

For more information, call 330-482-3762.

SRMC Surgery & Outpatient Pavilion

The SRMC Surgery & Outpatient Pavilion is one of the area's largest medical facilities and offers patients a convenient and lower cost alternative to hospital-based outpatient care; while delivering the same high levels of quality, safety and advanced technologies.

The Pavilion's services are opening in phases and include the ARC Advanced Radiology Center, Firestone Infusion Center, Firestone Surgery Center, SRMC Medical Group physician offices and SRMC Immediate Care.
