

RED TIGER

JINGLE BELLS

Jingle Bells debut launch in early December 2015 on BetFair was a blockbuster success! The game defied all of our expectations and we are proud to offer it for general release in a few months time, well ahead of the Christmas season this year. Christmas themed games always prosper in December and this mega-game is packed full of gifts that will keep

the players spinning all month long. With a stocking full of bonuses, reel modifiers and other surprises, this game keeps the players guessing. Like Lucky Wizard and Winter Wonders this mid-range volatility slot is a great acquisition game but also keeps the VIPs going as we really mixed up the bonus round payout distributions to keep them guessing.
