Rainy Days

Our programs take place rain or shine. In the event of rain, we hold the program in our indoor Auditorium space. Only in the most severe storms will students not be able to visit the Zoo. If rain is expected, we suggest your students bring the following:

- Waterproof jacket with a hood
- Hat with a firm brim (i.e. baseball hat)
- Rain boots or waterproof shoes
- Layers for warmth

We suggest limiting the amount of umbrellas, due to space constraints at certain exhibits.

Additional Participants

To be able to plan appropriately, we must limit the number of students and adults attending the program to the numbers on your request form.

Participants may be added up to three days prior to your program by calling our Reservations Associate.

Adults with siblings will not be allowed to join the program. If they would like to visit the Zoo while they wait, they can pay the full standard admission at the Lower Entrance cashier booth. *Visiting Teachers are responsible for making arrangements for these additional adults and any adults who arrive with siblings.*

Late Policy

We may not be able to accommodate your program if you are **more than 15 minutes late** for your start time. If you think you may be late, *please call our Reservations Associate immediately at 510-632-9525 x220 to see what arrangements can be made.* Although we cannot offer a refund if you do miss your program, we may be able to reschedule it for some other time during the same school year.

Programs take place rain or shine.
