Teen Wild Guides

Important Dates

Orientations are an informational introduction to the program, designed to give an overview of the program and application process, as well as answer questions. Orientations are not mandatory, but are highly recommended. If you cannot attend an orientation, you may download an application from our website and submit it in person or via postal mail by the deadline. There are three training dates per application period, and all three training dates are mandatory. Attending training is crucial to being a well-prepared volunteer, and we are unable to provide make-up trainings. Please check the training dates below carefully and ensure that you will be able to attend before applying to be a Teen Wild Guide.

All orientations and trainings are held in Classroom 1 of the Education Center unless otherwise noted. How to get to Classroom 1: When you pass the parking attendant kiosk, make a left at the SECOND driveway. This will lead you to the lower entrance parking area. Come up the ramp (AC Transit bus stop is near the base) to the lower entrance green gate. Classroom 1 is directly across the entrance, to the right of the courtyard.
